## Journal Club Activity

### **Introduction**

The JCA is organized for third year students with the purpose to discuss, learn and critique research presented in Pharmaceutical journals.

### **How is it conducted?**

- The students are divided into small groups of three.
- The students then understand interpret and present it to a class along with discussions.
- Time duration: 20 minutes for presentation, 10 minutes for Q&A

### **Purpose & Goals**

- Generally the purpose is to highlight new findings
- Inculcate research attitude in students and disseminate knowledge
- Literature search forms one of the fundamental parts of the research activity.
- The learners perform thorough literature survey and present the information along with the explanation on the topic, preferably from contemporary issues.
- This improves their ability to work in teams and nurture their leadership quality and improve their debating skills.
- It improves their ability to communicate effectively by both verbal and multimedia mode.

### **Criteria for selection of the topic**

- What interests the group
- Discussion with the guide to put forth a topic which has novelty/ research skills that will benefit the group and the peers.

### **General targeted areas when presenting a research work:**

- The introduction and background information: is the problem statement/introduction clearly described
- What is the purpose of the research?
- Why is the research being conducted & why is it considered significant/important?
- What are the results & conclusions drawn by the author?

PRINCIPAL  
Vivekanand Education Society's  
College of Pharmacy  
HAMC, Behind Collector Colony,  
Chembur, Mumbai - 400 074

  

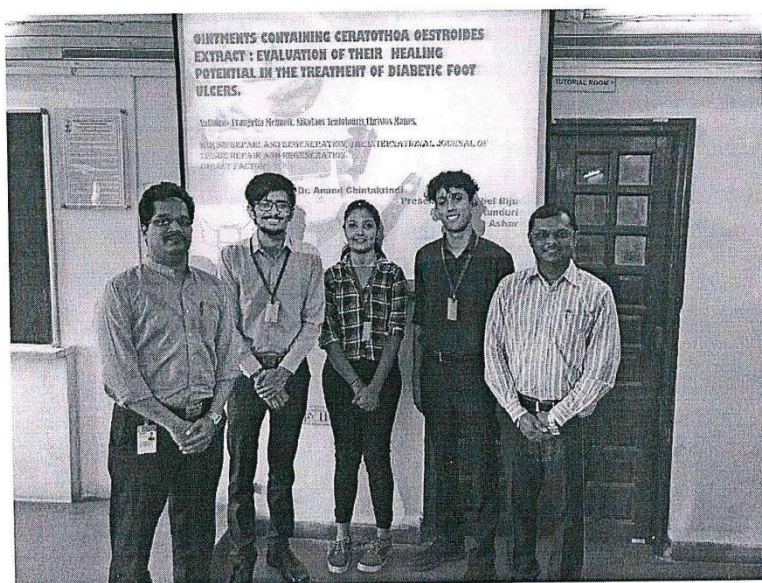

### Result assessment of JCA

Each presentation is evaluated by teaching faculty, along with suggestions on the basis of

- Scientific content
- Presentation skills
- Interactive/responsiveness

This orients the students towards research and presentation skills.

## VES College of Pharmacy, Chembur

### JOURNAL CLUB ACTIVITY

2021-22

JCA-‘JOURNAL CLUB ACTIVITY’ is an initiative that has been undertaken at VESOP since the academic year 2016-17.

This year VESOP embarks its journey to the second JCA activity which is conducted for undergraduates while they are in their third year of bachelors in pharmacy program as per the schedule.

JCA is an activity whereby the class is divided into groups of students and is allowed to choose any topic they want in guidance of the mentor. They are asked to undergo a literature survey by referring to reputed International and Indian journals and present their power point presentation to the class. Evaluators in the form of teachers apart from the guide are allotted and are attending this session for judging their technical knowledge, presentation skills, and team spirit. This is followed by a brainstorming Question Answer session where in refining their communication skills and in depth knowledge is assessed. The theme is to think, find, execute, and learn.

This activity attempts to shower light on how certain objectives that VESOP wants to attain and inculcate in its undergraduate students can be achieved via research and review. This activity has helped students on how to conduct a meaningful review of the current research and ways to refer to high index factor research papers in reputed journals. In this era when such activities with many novel techniques are known, making a student refer to such reputed journals helps them in figuring out the rationale and intellectual capability. This also boosts their thinking ability and builds interest in the subject of the research area. The students who aspire to be scientists, can carry out a meaningful research work later with an unambiguous aim by performing a proper literature survey from esteemed journals.

### Notice for T.Y B. Pharm students Sem-V

- 1) "Journal-club" activity would be initiated and would be divided in groups of students
- 2) Select any technical paper (either research or review) of any subject of your interest and **submit the title name to the Class Representative (Sheet would be Circulated by Class Teachers)**
- 3) The journal should be with good impact factor and indexed in UGC, Thomson Reuters, Web of Science and Scopus
- 4) The presentation time would be **60 minutes for each group (10 minutes powerpoint presentation by each student which totals to 50 minutes and 10 minutes question answer session),**
- 5) Evaluators have to be present according to the schedule and would be provided with the schedule of the groups.
- 6) Only purely research presentations should be presented (No syllabus presentations).
- 7) The group has to submit the power point presentation to **Class Representative** on the same day.
- 8) All students have to submit the presentation by writing the name, roll numbers, date and title on the same day of the presentation.

### JCA Incharge

Mrs Vidhi Bhatia

Dr Anand Chintakrindi
