Mentor Meeting Report Even Semester A.Y. 2021-22

24th February 2022.

Mentor Meeting of F.Y S.Y., T.Y. and Final year B. Pharm was conducted via various online platforms

Platform Used: Google meet/ Zoom/ Skype/ Phone calls/Physical Mode

Date and time: Between 7th February to 21st February 2022.

Every Mentor decided time as per the convenience of Mentor and mentee

Compiled reports of the meeting are as follows:

Sr. No.	Common Concerns raised by students	Action Taken
1.	Regarding Live project a. Students need clarity about total time available to complete Live project. They also want to know dates for End semester examination if available. b. Increase Timing for live project in Time - table	Students were informed about Exam dates and Live project completion date by LY exam coordinator Mrs. Sonali Munj on Saturday, 26 th february Working hours for live project increased from 7 th March 2022 in Time table.
2.	Regarding internship T.Y. Students need orientation about internship. 1. What will be the probable time period of their internship? 2. What will be the mode of their internship? 3. How much period will be available between sem VI and Sem VII with internship to be done?	Orientation was given to TY students by In-plant training committee member Mrs. Vidhi Bhatia on 2 nd March 2022 and 7 th March 2022.
3.	Limited time for Self study due to busy schedule	The schedule is necessary for completion of syllabus and all other academic activities.
4.	Regarding Canteen facility Canteen to be reopened. Students are getting late for lectures due to rush in the one canteen which is open in the campus.	Office supretendent Mr. Milind Ghadi is informed regarding same. College will try to resume canteen service as early as possible.

Date of the Meeting: 16-02-2022

Mode of Conduction of Meeting: Offline in the college

No. of Students Present: 5

Sr. No.	Common Concerns raised by students
1	Students had a concern regarding their mode of exam. They were sensitized regarding conducting the exam in offline mode. They were advised to start using the library facilities to refer previous year's paper. Oriented regarding time management for completing the descriptive paper since these students would be attempting it for the first time.
	Positive Feedback Shared by students
2	Students are happy coming to the college and attending offline classes. Their doubts are getting clear immediately after the lecture as oppose to online lectures.
3	Students are actively participating in the Spectrum events.
	Common instructions or Advise given by Mentors to group
4	They were advised to start the practise of writing long answers and time management

Date of the Meeting: 18/02/2022

Mode of Conduction of Meeting: Hybrid mode

No. of Students Present: 15

Sr. No.	Common Concerns raised by students
1	Academic Schedule is quite packed, unavailability of time for self-study
2	Study material is not shared on time
3	During Hybrid lectures, Board visibility is poor.
	Positive Feedback Shared by students
1	Students are happy with Practicals being conducted offline. Some faculty had demonstrated the practicals during online sessions, which was appreciated.
2	Understanding during the lecture is good, faculty solve the queries in lecture itself
	Common instructions or Advise given by Mentors to group
1	Importance of mentee profile, and need for updating it.
2	Encouraged the students to take part in co-curricular and extracurricular activities, informed them about platforms which help in upgrading knowledge
3	Informed the students to make arrangements during online exams to avoid network issues, before the final exams.
4	Have writing practice, as in ESE Time constraint is faced by many students. Advised them to prepare a timetable for self-study.

Mentor Meeting Report-Mentor wise

Sr. No.	Common Concerns raised by students
	Ms. Ankita Rai expressed that she wants to do core MBA after B. Pharm and is preparing for entrance exam
	Common instructions or advise given by Mentors to group
1.	Regarding concerns for preparation to appear for offline practical examination, students were advised that college will take utmost care to ensure that all necessary skill sets and training is provided to students before they appear for the End Semester Practical Exam.
2.	Regarding Live Project timings and schedule, assurance was given to the students that the same will be conveyed to class co-ordinators & time table in charge
3.	Regarding low packages for jobs offered, students were assured that college is taking all measures to increase the perception and branding of college achievements amongst all employers. The college is also planning to conduct HR meet so that employers are aware about VESCOP and its milestone achievements and this will in turn result in offering good packages to VESCOP graduates
4.	For seeking guidance for preparation for core MBA and knowing scope of the same, Ankita Rai was guided to contact alumnus, Mr. Gaurang Tendolkar, B. Pharm Batch 2016

Mentor Meeting Report-Mentor wise

Date of the Meeting: 24th February, 2022

Mode of Conduction of Meeting: Physical

No. of Students Present: 11

Details of students (Final year B. Pharm): Ms. Ankita, Mr. Manav, Ms. Maithili, Ms. Kashish, Ms. Ambika, Ms. Anjali, Ms. Cherisha, Ms. Manasi, Ms. Sakshi, Ms. Shruti, Ms. Renugadevi

Sr. No.	Common Concerns raised by students
1.	In case if End Semester Practical Examination will be conducted offline, students said that they needed more revision of major and important experiments in both the practical subjects- Pharmaceutics & Pharmaceutical Chemistry
2.	2 students in the group, Ms. Kashish & Mr. Manav, said that they have not attended any offline practical and hence if offline practical examination will be conducted, they need hands-on training on all the major experiments covered in both Practicals – Pharmaceutics & Pharmaceutical Chemistry
3.	Students said that they are getting opportunities for placement through college however the salary package offered is too low
4.	Students requested to increase the work hours for Live Project, as in, right now they get only one day – Wednesday, for Live Project, so it would be best if they get 01 full day and one more half day for Live Project work. Students also requested that time-table adjustments must be made in such a way that all students of all batches are free on one full day & one-half day as their partners for Live Project are scattered in different batches and it becomes easier to work if all of them are available together to do the work
Positive Feedback Shared by students	
1.	Students were satisfied with the conduct of offline theory & practical classes. They also said that they are receiving the study material for all subjects on time
2.	Students were satisfied with the efforts taken by the college with respect to placement
3.	Students were satisfied with the facilities, chemicals and other requirements that are provided by the college for their Live Project work
4.	Since the students are in their final year, each one of them shared their plans after graduation, some of them have already cleared entrance test for Pharm MBA and are waiting for PI round, while others are planning to give GPAT. Out of 11 students, 7 students are searching for job after B. Pharm in areas like Marketing & Sales, Medical underwriting, PV, CDM etc.

Mentor Meeting Report Odd Semester A.Y. 2021-22

10th October 2021

Mentor Meeting of S.Y., T.Y. and Final year B. Pharm was conducted via various online platforms

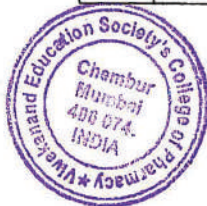

Platform Used: Google meet/ Zoom/ Skype/ Phone calls

Date and time: Between 23rd August to 15th September.

Every Mentor decided time as per the convenience of Mentor and mentee

Compiled reports of the meeting are as follows:

Sr. No.	Common Concerns raised by students	Action Taken
1.	<p>Regarding Live project</p> <p>Students are doubtful regarding the type of the project.</p> <p>Students need clarity with the selection process for the live project. Not happy with the selection process. Students who had given preference for research projects got survey-based projects.</p>	<p>Dr. Anand Chintakrindi conducted the meeting on 4/10/2021 with L.Y. students and explained the live project guide selection process.</p> <ol style="list-style-type: none">1. Identifying research area of faculty members and sharing the same with students2. Ranking the students based on the merit of sem 3,4,5 SGPA score3. Survey for the order of preferences for the research area4. Allocation of research area based on their merit rank and their preferences (Higher merit rank getting higher-ordered preference)5. Survey for order of preference for research guide for the allocated research area6. Allocation of research guide based on their merit rank and their preferences (Higher merit rank getting higher-ordered preference) <p>The students were satisfied with the process, and there were no questions raised about the process.</p>

Sr. No.	Common Concerns raised by students	Action Taken
2.	Regarding internship certificates Anchrome, Lubrizol, P&G - Internship certificates not received yet by students Students were requesting a certificate of Gastro Plus (software) session	Follow up for the same was taken by respective In-charges, and the process for the certificate is initiated.
3.	No Break between the lectures: Sometimes lectures get extended after the stipulated time, and students don't get the 15 minutes break in between.	All the faculties are instructed to follow lecture timings meticulously to ensure students get 15 min break between lectures.
4.	Extra lectures and Assignments before Exams The week before sessional exams, extra lectures, assignments, and presentations create a burden, and students get less time for studying.	All faculties were instructed to follow specific basic SOP regarding assignments, quizzes, and extra lectures during the exams. Academic Incharge will frame the SOP for the same.
5.	Preference to Zoom over G-meet Students suggested using Zoom over Gmeet as it utilizes less data.	Dr. Anand Chintakrindi conducted the meeting with all the classes on 24 th September 2021. He explained to students that zoom and G-meet are similar platforms and utilize comparable data in the forum. Using Gmeet is management's decision hence institute will continue with G-meet; here onwards.
6.	Provide Recordings, PPT and question Bank Students requested to provide lecture recordings and other study material immediately after the lecture	All the faculties are instructed to provide all lecture related material immediately after the class is over.

Date of the Meeting: 30th August, 2021

Mode of Conduction of Meeting: Online via Google Meet Link

No. of Students Present: 15 out of 15 of S.Y. B.Pharm. Sem-III

Sr. No.	Common Concerns raised by students
1.	Very less time in this semester also plus the 1 st sessional is too early.
2.	Some faculties do not share the ppts and recordings when done with the lecture. CR has to remind always to get the ppt cum notes.
3.	Whether the extra lecture time-table scheduled and shared with the students now before 1 st sessional, is going to continue after exam also? This concern was raised because since the time they have joined the course, there has been a very tight schedule without any vacation as such, which is making the entire learning process slow.
Positive Feedback Shared by students	
1.	Lectures are conducted well and understandable.
Common instructions or advise given by Mentors to group	
1.	Students were told to study the topics taught in class and go through the recordings and were told not to worry about the first sessional as teachers are aware about the time constraint. They are in safe hands.
2.	They were motivated to speak out their concerns with any teacher they feel comfortable with. They were also motivated to practice Yoga and exercise to relieve their stress and strain. It was told to students that from Sem IV, they could get proper semester pattern.
3.	Exam Guidelines were briefed again which were shared by exam department. Also, they were motivated to appear honestly for the exam.

CLASS – FINAL YEAR B PHARM SEM VII C.B.C.S ACADEMIC YEAR 2021-22

No. of Students Present: (05) PRANATI S E, RIA RAJPUT, RAKSHIT POOJARI, VAIBHAV PERE, RAJ PATWA

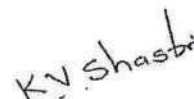

Common Concerns raised by students
Challenges and difficulties in learning different courses/subjects in online mode
Positive Feedback Shared by students
The mentees are very pleased and contented about the online teaching conducted by the Institution. The subject study material and reference material which is provided by the faculty members helps them to understand the subject and also facilitates them for the examination preparation.
Common instructions or Advise given by Mentors to group
The Mentee profile document was shared with all the mentees and the mentees were guided regarding how to fill the document. The mentees were emphasised for filling and maintaining mentee profiles regularly for easy access and effective mentoring. The mentees were motivated to study well for their forthcoming Periodic Exam/ Mid-Semester Exams starting from 20 September 2021. They were encouraged to appear for the online examination honestly following all the examinations rules and regulations. They were assured that they are in the best hands of VESCOP faculty and all the faculty members/course coordinators are giving in their level best for creating online study material, and enriching their learning experience for better understanding of different courses/subjects even through online mode.

No. of Students Present: 3

Sr. No.	Common Concerns raised by students
1	Sometime lectures get extended after the stipulated time and students don't get the 15 minutes break in between. Leading to eye strain due to increase screen time.
2	Difficulty in understanding the practical aspects in the online mode
3	Students need clarity with the selection process for the live project. Not happy with the selection process. Students who had given preference for research project got survey based project.
4	Students face network issues from the teachers side when the lectures are conducted in college due to instability of the Wi-Fi network
Positive Feedback Shared by students	
1	Students are happy with the overall conducting of the college with respect to lectures/practical /co-curricular and extracurricular activities.
2	Students are happy with the activities conducted for further studies (India and Abroad)
Common instructions or Advise given by Mentors to group	
1	Teachers take utmost care to abide by the lecture timing. The lectures might get extended if an interesting topic needs to be completed for better understanding
2	Students were instructed and guided to fill the mentee profile form Students were also counselled regarding further studies.

Class: SY B. Pharm Sem III

No. of Students Present: 14 (Anurag Patel-absent)

Sr. No.	Common Concerns raised by students
1.	Students are not comfortable to us Google meet platform for regular lectures and practical. They requested to switch back to ZOOM platform. They complained that when they are using google meet the cell phone heats up and battery drains faster.
2.	They also mentioned that if there is a call during lecture session, the ongoing google meet ends and they have to login again to attend the session. Few teachers activate host controls and so students are not permitted-in to rejoin and are marked absent.
Positive Feedback Shared by students	
1.	The students appreciated teachers taking lectures and practical on time as per the time table. The reading materials, presentation slides and session recordings are provided by all teachers.
2.	The students are happy with teaching pedagogies and understand the topics taught by all teachers.
Common instructions or Advise given by Mentors to group	
1.	The students were advised to login 10 mins before the lecture starts. Understanding their concern of attendance and problem of rejoining the lecture on google meet disconnection, the students were advised to tell the respective teacher and share their problem.
2.	As the First sessional exam was arriving, the students were advised to start reading the material provided to them.
2.	Students are advised to fill the Mentee profile document. The particulars in Mentee form were discussed. They were instructed about importance of mentee profile document.

Date of the Meeting: 05.04.2021

Mode of Conduction of Meeting: Online Google meet

No. of Students Present: 3 (Ms. Ankita Kanade, Ms. Priya Baranwal, Mr. Akash GAvhale)

Sr. No.	Common Concerns raised by students
1.	Students felt that the schedule was hectic and had no time for cocurricular and extra-curricular activities. They were explained that due to late admission, the semester was compact.
2.	Students also mentioned about extra lectures being taken. Students were explained that due to completion of syllabus before time, they could get enough preparatoty leave.
3.	Student suggested for guest lectures regarding career options in Research and Development field.
	Positive Feedback Shared by students
1.	Students were happy regarding completion of syllabus in time.
2.	They appreciated about the individual VES email ID given to them. It helped them in segregating the material.
3.	Students also appreciated that all the teachers were approachable and were solving their doubts.
	Common instructions or Advise given by Mentors to group
1.	Students were encouraged to take up the part in National and International level conferences and participate in competition. They were also told to initiate the review article processing.

Date of the Meeting: 24/04/2022

Mode of Conduction of Meeting: Online via google meet; Link: <https://meet.google.com/xxq-hnmi-jcx>

No. of Students Present: 03

Sr. No.	Common Concerns raised by students
1.	The students were curious to know regarding review article assignment, modalities involved in the same with respect to writing each section, collating data & citing references
2.	The students enquired about how to get information regarding national/international conferences, how many such events to target and whether to go for only participation or presentation as well
3.	The students enquired about the pattern for ESE of Sem II, in terms of weightage for objective & subjective questions & total time allotted for attempting the paper
	Positive Feedback Shared by students
1.	The students were satisfied with the academic schedule and gave very positive feedback regarding conduct of practicals as they are getting hands-on-training and in-depth information on how validation protocol is followed and the study is performed
	Common instructions or advise given by Mentors to group
1.	Regarding review article: You tube videos of past sessions conducted by college on scientific writing & communication were shared with the students. The students were briefed about systematic review & meta-analysis, which will help them to attempt a review article writing in a better way
2.	Regarding participation in national/international conferences, the students were told to have their own targets of participation with a benchmark of minimum 1 presentation in both National & International competitions. The students were further informed that information regarding such events will be communicated to them through class coordinator & Guide so that they do not miss on any opportunity
