Dr. Mushtaque Shaikh,  
ICT Representative,  
Mr. Aynash Suryawanshi,  
NSS Co-ordinator.

On the right side, there is a 'Participants (15/22)' list with names and status icons. At the bottom, the Zoom control bar is visible, showing options for 'Mute', 'Unmute', 'Join Audio Meeting', 'Chat', 'View & Control', 'Background', 'Reactions', and 'Leave'.

This screenshot shows a Zoom meeting in progress. The main view is a video of a woman with glasses and a striped shirt, identified as Mrs. Rashmi Joshi, speaking. Behind her is a banner for an 'E-WASTE CLEAN DRIVE' with the text 'ECOSYSTEM RESTORATION'. On the right side, there is a vertical stack of smaller video thumbnails for other participants, including 'Anuradha Badade', 'Rashmi Joshi', and 'Shrusika'. Below these thumbnails is a name card for '30 Chinmay Pha...'.

## Activity Report A.Y \_2021-2022 NSS Unit of VES COP

### DEPARTMENT/ COMMITTEE/ FACULTY

### IQAC ACTIVITY No: IQAC/2021-22/NSS/02

#### Details of activity:

Name of the Activity	Sankalp Taru – Tree plantation drive	Activity No.	IQAC/2021-22/NSS/02
Day, Date	Sunday, 31/10/2021 Thu, 22 July 2021	Department/ Committee/Faculty	NSS Unit of VES COP
Venue	VES campus	Time	2-4 pm
Nature of activity	Offline	Total no. of participants	5

#### Activity information:

<b>Objectives</b>	The purpose of the celebration was to pay a heartfelt tribute to our beloved founder member Late Shri Hashu Ji Advani. We conducted Sankalp Taru – Tree plantation drive.
<b>Methodology</b>	A flyer along with a PR message was circulated on 20 <sup>th</sup> July 2021 in all class groups and even mailed. The chief guest for the event was Mrs. Rashmi Joshi. For the first half an hour there was an online formal function and then the rest half an hour offline tree plantation drive at the VES campus. In this tree plantation drive, we planted 15 trees along with 15 Sankalp to help us achieve our inner desires and reach enlightenment. Tree plantation was done in VES COP Campus. Along with that, all necessary precautions of covid 19 were taken. Also a time-lapse video was recorded.
<b>Outcomes</b>	It was a successful event. Five student volunteers from NSS came to college for this program. The importance of trees was highlighted in the 15 Sankalp that were made.

## Activity Report A.Y \_ 2021-2022 NSS Unit of VESCOP

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/03

### Details of activity:

Name of the Activity	Guru Purnima Celebration	Activity No.	IQAC/2021-22/NSS/03
Day, Date	Friday, 23/07/21	Department/ Committee/Faculty	NSS Unit of VESCOP
Venue	Zoom meeting	Time	4: 30 pm onwards
Nature of activity	online	Total no. of participants	112

### Activity Information:

Objectives	An attempt to recognise efforts, dedication and service of teachers towards students on the auspicious occasion of 'Guru Purnima'.
Methodology	An informal online zoom meeting was arranged and fun activities for teachers were meticulously planned and executed. An introductory speech by Principal Dr Mrs. Supriya S. Shidhaye was a prelude to the celebrations. Initial segment of the program was student based thanksgiving where few students expressed their gratitude towards selfless service provided by teachers in the form of songs and speeches. Later on a fun- filled Pictionary event was arranged for teachers. It was a very fun mingled activity where teachers thoroughly enjoyed and were visibly refreshed. The program concluded with teachers expressing their joy and what their profession has taught while imparting words of wisdom to their fellow students.
Outcomes	Overall it was a celebration cum tribute organised by students to pay their gratitude and cheer up teachers. Students could more closely know their teachers and the teachers got a short break from their monotonous and strenuous everyday lectures schedule.

## Details of activity:

Name of the Activity	World AIDS Day	Activity No.	IQAC/2021-22/NSS/16
Day, Date	Wednesday,1/12/2021	Department/ Committee/Faculty	NSS Unit of VESCOP
Venue	VES College Campus	Time	-
Nature of activity	offline	Total no. of participants	150

## Activity Information:

Objectives	The purpose of this activity was to spread awareness about HIV and to support people living with HIV and to remember the ones who have died from AIDS related illness.
Methodology	On the occasion of World Aids Day on 1st December we carried an offline event in VESCOP in which we distributed red ribbons among all students and staff of our college which they had to pin on their clothes which symbolises and spreads awareness about World Aids Day. We also made a poster which stated 5 facts about HIV and which tells us how HIV is transmitted. We took print out of that poster and pasted it in our college premises which also made everyone aware about the disease.
Outcomes	It was a successful event where everyone was aware of HIV by putting red ribbons and also due to the poster.

Nature of activity	Online	Total no. of participants	26

### Activity information:

Objectives	The main objective of this event was to make people aware of road safety norms. To spread awareness about road safety rules and reduce the number of road accidents that's why we conducted such amazing activity.
Methodology	The flyer along with pr msg was circulated in NSS groups. Activity was conducted from 9 <sup>th</sup> January to 12 <sup>th</sup> January for a week. The purpose of the celebration of Road safety week was to spread awareness about how to drive safely in order to avoid accidents and injuries among the students. For this event as we had to do it during the lockdown period an Poster making competition was organized. The theme for the Poster making competition was "Sadak suraksha Jeevan raksha". Students willingly participated in this activity. A google form link was created to submit posters with unique ideas, this link was circulated among our students to share the knowledge to each other to which we got an overwhelming response and winners as well as the participants were provided with certificates.
Outcomes	Everyone was very grateful to acquire knowledge and learn something new.

# *National Road Safety Week*

11th January to 17th January

According to statistics, it is found that most of hospitalization cases and leading cause of death is because of road trauma.

So, Everyone needs to be well aware of the road traffic rules and to follow them especially children and young people who are at significant road accident risks.

Road safety is of prime importance as road accidents are among the biggest causes of deaths in the country.

With the number of vehicles on our roads increasing with every passing hour, it's of vital importance for everyone to have traffic awareness and to understand and respect all the road safety rules in India.

## Activity Report A.Y \_ 2021-2022 NSS Unit of VESCOP

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/21

### Details of activity:

Name of the Activity	Stray animals feeding	Activity No.	IQAC/2021-22/NSS/21
Day, Date	Wednesday, 19/01/2022	Department/ Committee/Faculty	NSS Unit of VESCOP
Venue	Thane	Time	2 pm to 6 pm
Nature of activity	Offline	Total no. of participants	11

### Activity information:

Objectives	The main objective of this event was to feed helpless animals. The love for dogs is on another level that's why we volunteer in such amazing activity.
Methodology	The flyer along with pr msg was circulated in NSS groups. Students willingly volunteered for this activity. All the volunteers gathered at thane station and then reached that place. The collaboration was with khushiyan foundation. The co-ordinator Anish chavan brought food and then all the students started distributing food to dogs. Some of them fed them and some of them carried the food from one place to another. Wherever we saw dogs we stopped at that place and fed them. At last the activity was ended by a fun part that is group picture.
Outcomes	Everyone enjoyed feeding cute and hungry dogs. The dogs were so adorable that many volunteers wanted to have them as pets.

## Activity Report A.Y \_ 2021-2022 NSS Unit of VES COP

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/24

### Details of activity:

Name of the Activity	E waste collection drive	Activity no	IQAC/2021-22/NSS/24
Day, Date	Thursday,03/2/22 - Saturday 12/2/22	Department/ Committee/Faculty	NSS Unit of VES COP
Venue	VES COP (Ground floor)	Time	11 am to 5 pm
Nature of activity	Offline	Total no. of participants	140

### Activity information:

<b>Objectives</b>	The purpose of the E waste collection drive was to bring awareness about E-WASTE donation. Electronic waste management has become increasingly important, helping to decrease environmental issues and human health issues. As the lifespan of electronic devices is getting shorter, it becomes essential for every individual to understand the importance of recycling.
<b>Methodology</b>	A flyer and PR message was circulated in all the classes and students were encouraged to bring E waste from their home. Boxes were kept on the ground floor in the college where the students were supposed to put their E waste. Total E waste collected was 182 kg.
<b>Outcomes</b>	It was an insightful session. Students handed over earphones , chargers, wires, keyboard , cable, calculator, etc. Students were enlightened about the current E-WASTE status, hazardous effects of negligence of E-WASTE management, and most importantly the ways for E-WASTE management.

Electronic waste or E-waste describes discarded electrical or electronic devices. Used electronics which are destined for refurbishment, Reuse, resale, salvage recycling through material recovery, or disposal are also considered E-waste. Electronic waste is hazardous if deployed awkwardly. E-waste devices are composed of harmful materials and abundant elements. This materials can percolate into the soil polluting the air and waterways, harming humans health and the environment. Thus, electronic waste management has become increasingly important, helping to decrease environmental issues and human health issues. As the lifespan of electronic devices is getting shorter, it becomes essential for every individual to understand the importance of recycling. Thus, it's essential for everyone of us to dispose E-waste properly.

Activity Report A.Y \_2021-2022

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/29

## Details of activity:

Name of the Activity	<b>BEST OUT OF WASTE Competition</b>	Activity No.	IQAC/2021-22/NSS/29
Day, Date	14/02/2022 – 23/02/2022	Department/ Committee/Faculty	NSS Unit of VES COP
Venue	Online	Time	-
Nature of activity	Online	Total no. of participants	20

## Activity information:

<b>Objectives</b>	This activity was carried out to arise awareness in students about reusing the waste in the best way possible. It is crucial to educate oneself and others on ways to reduce consumption and ways to dispose of the plastic. Such initiatives are important as they play a huge part in reusing and reducing trash, as well as putting this 'trash' back into the cycle by being a part of the circular economy.
<b>Methodology</b>	Students were asked to use only <b>Plastic</b> as a material to make craft work. They had to submit a time lapse video while making craft work. A PR and flyer was circulated in all classes and students were motivated to participate in the event. A google form link was provided in the PR message through which students could submit their beautiful craft work.
<b>Outcomes</b>	It was a very creative event. Students made amazing craft works using plastic such as pen, pencil holder stand, showpiece flower, mobile holder, etc , they participated enthusiastically and showed their affection towards nature by reusing the waste material.

## Activity information:

Objectives	The main objective of the event was to make student aware about the natural cleansers available and its advantage over conventional harmful chemical cleanser.
Methodology	<p>Volunteers were made aware about bio enzymes and also a youtube video was shared in whatsapp group on how to make bioenzymes.</p> <p>Preparation</p> <p>Take jaggery, citrus peels and water in the ratio of 1:3:10 and 1 tsp. of yeast. Note that you can also opt for the peels of carrot, cucumber, pineapple, sweet lime and lettuce. Mix all these ingredients in a plastic bottle with a screw bottle cap and leave it aside for 1 month. Do not fill the bottle to the brim.</p> <p>Since the mixture will produce gases, the bottle cap should be opened and stirred at least once a day. Note that the solution should always be covered so that the fruit flies do not get into the bottle.</p> <p>Ferment the mixture for one month in anaerobic conditions.</p> <p>After one month, strain the liquid and store in plastic container or bottles.</p> <p>Now the bio enzyme is ready and can be used as a multipurpose cleaner.</p> <p>Now the bioenzymes are ready.</p> <p>Bio enzymes are highly recommended for cleaning the tiles and grout because the bacteria can enter small cracks or crevices to remove soils and malodors.</p> <p>Also you can de-clog a drain by pouring a solution of bio enzyme into it.</p> <p>These are effective in removing limescale deposits from the taps and steel appliances</p>
Outcomes	Volunteer were enlightened about bioenzyme and it's uses and it was a successful event.

# BIOENZYME

Bio enzymes have gained a lot of popularity in recent years as they are organic cleaning solutions that are produced by the fermentation of citrus fruits, jaggery, and water. The organic solution comprises good bacteria which produce enzymes to digest wastes, stains, soils, and malodors. During the process of fermentation, the bacteria attack the stains to break down the molecules into smaller particles so that it becomes food for the bacteria and finally get converted into carbon dioxide and water. bio-enzymatic cleaners encourage sustainable living and are safe for the environment. The micro-organisms can penetrate small crevices and cracks to eliminate stains which conventional chemical cleaners cannot. They are affordable in comparison to the toxic chemical cleaners that are available in the market.

### Few instructions:

- 1) Keep the bottle in cool place without much disturbance to it.
- 2) You have to open the lid everyday for the first week to prevent gas build up and close it again, otherwise the gas will build up to explode in the container.
- 3) After second week, open the lid once in a week to let the gas out.

#### Activity information:

<b>Objectives</b>	The objective of collecting blood through blood donation are:- a) Provide safe and quality blood and blood components collected from voluntary donors, round the clock, at affordable cost to the general public and free of cost to the poor. b) Ensure safety and quality of blood.
<b>Methodology</b>	Blood donation camp was organized by NSS Unit at VES College of Pharmacy on 7 March 2022, From 9 am to 4 pm. The blood donation camp was organized in collaboration with Pallavi Blood Bank. The drive started after the necessary facilities were made available for the donors and blood bank personnels, which include beds for donors and chairs and tables for documentation. Biscuits, water and juice were provided to blood donors. Various criteria like hemoglobin, weight, blood pressure were checked by the doctor before proceeding to documentation. The donors who satisfied these criteria were led to documentation. In documentation the personal data of donors like name, age, gender, weight, Blood group, medical history were checked and noted. Third step was blood donation. The donors were told to sit on beds and 350 ml of blood was withdrawn by the blood bank personnel. The donors were provided with certificates for their contribution. A total of 85 donors were documented which include students and teachers of Ves College of Pharmacy. The blood donation ended at 4 pm sharp with a positive note.
<b>Outcomes</b>	Blood donation camp was a successful NSS event in collaboration with Pallavi Blood Bank. 85 donors participated in the drive. 85 bottles of 350 ml blood were donated which counts to 29,750 ml which is <u>29.75 L</u> respectively. Certificates were provided for the same.

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/33

### Details of activity:

Name of the Activity	Women's Day and Marathi Bhasha Diwas Celebration	Activity No.	IQAC/2021-22/NSS/33
Day, Date	Tuesday, 8/03/2022	Department/ Committee/Faculty	NSS Unit of VES COP
Venue	Seminar Hall	Time	2:30- 4:00 pm
Nature of activity	Offline	Total no. of participants	50

### Activity information:

Objectives	The Seminar was conducted to put a light on every woman about how powerful, independent, confident and unique every woman is.
Methodology	Mrs. Vasudhara Jakka was our speaker for the day. She spoke about how expressions play a very vital role in our life. Small activity was conducted by the speaker for 25 people. After the activity review was taken and a small learning was given by the speaker She ended her seminar by narrating a short story about Buddha and her wife. Principal ma'am requested the speaker to say a few words on occasion of Marathi diwas. Pradnya Ma'am, one of our faculty, recited a poem on the occasion of Marathi Diwas. At the end Mrs. Vasundara Jakka was facilitated by a bookey, a note and a sapling. Our Principal ma'am was facilitated by sapling and a note. All the teaching and non-teaching staff were given saplings and a note. The session ended with cake cutting to celebrate Women's Day.
Outcomes	Everyone took a lot back from the seminar, a lot of energy, confidence and smiles on their faces.

## Activity Report A.Y \_2021-2022 NSS Unit of VES COP

DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/35

### Details of activity:

Name of the Activity	Beach clean up 1	Activity No.	IQAC/2021-22/NSS/35
Day, Date	Saturday, 12/03/2022	Department/ Committee/Faculty	NSS Unit of VES COP
Venue	Prabhadevi Beach, Dadar	Time	3-6 pm
Nature of activity	Offline	Total no. of participants	48

### Activity information:

Objectives	The objective of beach cleanups is to raise awareness in the population about marine pollution and contribute with it the reduction of garbage and plastic in the ocean.
Methodology	Flyer and PR message was circulated. The activity was conducted on Prabhadevi Beach, Dadar. There were a total of 48 NSS volunteers who participated in the activity. All the volunteers gathered at college ground, then together traveled to the beach to clean it. The motive of beach cleanup was that the oceans produce more than half of the oxygen on Earth and are home to approximately 70% of life on Earth. They also regulate our climate and weather patterns as well as absorb carbon dioxide.
Outcomes	It was a successful event and NSS volunteers participated enthusiastically and enjoyed the activity. Beach cleaning volunteers demonstrated more accurate knowledge of the amount and type of waste in the local environment, as well as greater awareness of the causes and consequences of marine litter.

#### Details of activity:

Name of the Activity	World Consumer Rights Day	Activity No.	IQAC/2021-22/NSS/36
Day, Date	Tuesday,15/03/2022	Department/ Committee/Faculty	NSS Unit of VES COP in collaboration with Rotaract club of VES COP
Venue	VES College of Pharmacy Seminar hall	Time	4-5 pm
Nature of activity	Offline	Total no. of participants	40

#### Activity information:

Objectives	To create awareness and mark <b>World Consumer Rights day</b> .
Methodology	Shopping has always been our favorite activity for most of us, but how many of us know the legalities and technicalities involved in consuming a product? With the advent of pandemic everything went full fledged online making people susceptible to online frauds. Therefore it is necessary to know consumer rights. The event was planned in collaboration with the NSS unit and RC of VES COP. The volunteers had planned fun riddle questions around consumer rights and presented them to participants for answering them. Later these questions were given thorough explanations by volunteers which made the audience clear of their rights.
Outcomes	The audience was made aware of their consumer rights on eve of World consumer rights day.

### Activity information:

<b>Objectives</b>	<p>The objective of organizing mangroves clean-up drive are:-</p> <p>a) Mangroves play a vital role in saving nature. So to keep the mangroves plastic-free and other wastes.</p> <p>b) To keep nature safe and waste-free for future generations.</p>
<b>Methodology</b>	<p>Mangroves Cleanup Drive was organized by NSS Unit at Coastal &amp; Marine Biodiversity Center, Airoli on 20 March 2022, From 10 am to 1 pm. The Mangroves Clean-up Drive was organized in collaboration with Beach Please India.</p> <p>The team was gathered on the Allotted location i.e on coastal and marine biodiversity center, Airoli at sharp 10 am. After checking the covid vaccine Certificate, we were allowed to enter the center. Then our team clicked some geotagged photos. The founder of Beach please India Foundation Mr. Malhar Kalambe briefs us about the importance of mangroves like Mangroves protecting coastal villages from floods, reducing soil erosion, etc. He also gives instructions about how to walk in mangroves with gumboots, what precautions we have to take etc. Then from the Nirdhar foundation Mr. Chirag told us how plastic is hazardous to nature. After the briefing, the foundation distributed Gumboots &amp; Gloves to us.</p> <p>After taking all precautions, all volunteers have gone into Mangroves. The Beach Please India Volunteers are very much helpful and supportive. They motivate us to do work in mud. when someone beginners stuck into the mud, they immediately helped to move out. After all the cleaning, we collected the garbage on the outside of the Mangroves.</p> <p>At that time, the Forest Officer of the center and some police personnel came. He appreciated our work and thanked us for our contribution in saving nature. We thanked him for allowing for cleanup.</p> <p>After all, work done like cleaning ourselves, washing, and submitting gumboots, Beach Please India foundation arranged breakfast for all. Day, Date	Tuesday, 8/03/2022	Department/ Committee/Fac ulty	NSS Unit of VESCOP
Venue	online	Time	-
Nature of activity	Online	Total no. of participants	42

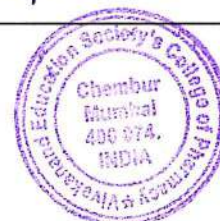

## Activity information:

Objectives	The objective of this event was to spread awareness that we can make use of the waste and make it useful for growing plants and to make people understand that organic fertilizer is better over synthetic fertilizer in terms of expense, absorption and availability.
Methodology	Among the 5 groups, team nature & team waste prepared onion fertilizer, team health and team women prepared tea fertilizer and team children prepared banana fertilizer. A youtube link was shared for reference which showed how to make the following fertilizer. A google form link was circulated in the class group to upload the geotagged and non geotagged photo of the particular fertilizer.
Outcomes	The event was conducted smoothly and efficiently and NSS volunteers actively participated in this event.

IQAC ACTIVITY No: IQAC/2021-22/NSS/40

Details of activity:

Name of the Activity	Bird Feeder Making activity	Activity No.	IQAC/2021-22/NSS/40
Day, Date	Saturday,26/03/22	Department/ Committee/Faculty	NSS Unit of VESCOP
Venue	In field.	Time	
Nature of activity	Offline	Total no. of participants	

Activity information:

Objectives	The objective of this event was to provide food and water to birds during this summer. With bird feeders acting as natural food suppliers, birds have a reliable, secure and plentiful source of food to keep birds well-fed and thriving.
Methodology	A flyer and google form was circulated in the class group to upload geotagged photos of the bird feeder.
Outcomes	The activity was conducted smoothly and efficiently and NSS volunteers actively participated in this event.

## Activity Report A.Y \_2021-2022 NSS Unit of VESCOP

### DEPARTMENT/ COMMITTEE/ FACULTY

IQAC ACTIVITY No: IQAC/2021-22/NSS/41

#### Details of activity:

Name of the Activity	Eye Checkup Drive	Activity No.	IQAC/2021-22/NSS/41
Day, Date	Wednesday, 23/03/2022	Department/ Committee/Faculty	NSS Unit of VESCOP Health cell
Venue	VES, College of Pharmacy	Time	9-4pm
Nature of activity	Offline	Total no. of participants	19

#### Activity information:

<b>Objectives</b>	Annual eye exams can detect other serious health problems. During a comprehensive eye exam, your eye doctor can observe and evaluate the health and condition of the blood vessels in your retina, which are a good predictor of the health of blood vessels throughout your body.
<b>Methodology</b>	Eye Checkup Drive was organized by NSS Unit at VES College of Pharmacy on 23 March 2022, from 9 am to 4 pm. The Eye Checkup Drive was collaborated with Ayurwell lifecare under the guidance of Dr. Dipak More and Optician Ayesha Khan. Eye Checkup instruments were placed neatly and a thorough check up was done. Glasses were displayed for the people who were willing to buy after getting their eyes checked. A total of 128 checkups were noted which includes students, teaching staff, non teaching staff and outsiders. 7 glasses were purchased after the checkup. A total of 19 volunteers helped in this activity. It was indeed a successful event.
<b>Outcomes</b>	Eye Checkup Drive was a successful NSS event in collaboration with Ayurwell lifecare. 128 people got their eyes checked and got an overview of their glasses number. The event ended at 4pm.
