Subject : To communicate analysis of Feedback by students: Pharmaceutical Analysis I - First Year B. Pharm

Dear Sir/Madam,

This has reference to a feedback collected for the subjects you teach in the second term of academic year 2022-23. Students have rated your performance as per the following table.

Points of Feedback:

The average aggregate score of teaching faculty for First Year B. Pharm Sem. I is 85.09

Individual Average Score: 86.61

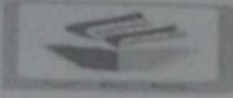

Total number of Students given feedback: 98

I congratulate you for the above rating.

Parameter wise feedback score

Parameter	in %
Syllabus Coverage : Has the Teacher covered entire Syllabus as prescribed by University/ College/Board by adhering to the course plan?	88.78
Effectiveness of Teacher: a) Technical content/course content: Explains clearly, emphasizes important points, discusses university question papers	86.54
Effectiveness of Teacher: b) Whether teacher uses teaching pedagogies such as case study, problem solving, interactive classes, Flip Classroom	84.49
Effectiveness of Teacher: c) Whether teacher has good Communication skills	86.33
Effectiveness of Teacher in terms of: d) Whether you are happy with the quality of PPT and study material shared,	82.05
Effectiveness of Teacher in terms of: e) Whether Teacher uses ICT Tools effectively	87.35
Delivery of Lecture: Whether course outcomes and programme outcomes are discussed	86.74
Support for the development of Students' skill: Whether Practical demonstration /Hands on training / Virtual Lab conducted well?	87.35
Clarity of expectations of students: a) Clears doubts to the satisfaction of the student	85.92
Clarity of expectations of students: b) Is punctual and regular in conducting online classes	88.37
Clarity of expectations of students: c) Is respectful, unbiased and courteous to students	86.13
Feedback provided on Students' progress: Whether the answers to the assignment / test papers are discussed	87.15
Willingness to offer help and advice to students: a) Whether the teacher is approachable, helpful and motivating to build professionalism?	88.78

Mumbai - 400 074, INDIA

Dear Madam,

With reference to the letter issued to me for student feedback

Ref No- VESCOP/IL/123 of 2023 dated 28/06/2023 for

Even Semester SEM II for the subject Pharmaceutical Organic Chemistry -I

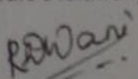

The following action is taken on the feedback received from FY BPharm students for the subject of Pharmaceutical Organic Chemistry-I 2022-23

Average Score of the Class: 79.44

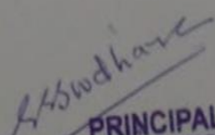

Individual Score: 73.88

- 1) Practice emphasis on important point and way it can be taken in exam. Previous years Periodic and Semester papers were discussed with the students in the classroom.
- 2) Problem solving with predict the product and its mechanism was also asked in the case study and quizzes.
- 3) Support for the development of students' skill- I am not engaging POC-I laboratory so practical demonstration for theory subject cannot be conducted.
- 4) Students are called intermittently for confirmation and understanding of the concept. I have tried my best to clear their doubts to the satisfaction.

Yours's faithfully

Dear Pharmacology Team,

With reference to the today's meeting conducted by Principal Madam please note the some important points:

1. Practical Conduction:

- Please take regular table viva
- Rough book is mandatory
- Give practical planning of all practical subjects assigned to you by 3rd December 2022 or else as soon as the timetable is out to me. I will provide the format. Post it is finalized, we will stick it in the duty register of the respective subject. Please follow the same for theory lesson plans as well.
- Please discuss with each other how practicals will be conducted (teaching methodology)
- Journal checking should be regular

2. Lecture Conduction:

- Attend each other's lectures from a learning point of view.
- Check who has taken the subject allotted to you earlier and discuss any challenges or take tips.
- When dividing the topics discuss with your counterpart.
- Keep clarity about who is taking Quiz/ assignment while dividing the topics with the subject sharing teacher.
- Discuss at least one subject related research paper with students compulsorily per subject.
- Prepare to the fullest.

3. Start the sessions on time. Demonstrate good class control.

4. Keep two assignments ready for spontaneous adjustments (can be activity beyond syllabus related preparation/ literature/ quiz / assignment)

5. Keep the academic incharge, module coordinator and class coordinator informed about the adjustments.

Over and above let us all work together as a team to strive for the best academic experience for our students.

Kindly acknowledge the receipt of the mail.

Kind Regards,

Mrs. Pradnya Nikhil Shinde-Korlekar

Feedback about Institute

Related to the institute * a. What are your suggestions for our academic and administrative facilities? *

34 responses

.

No suggestions

NA

Offline ptm

No suggestions

Good

All the overall facilities are good.

Everything is okay

nothing

No suggestions as for now

Overall it is good

No issues from our side! Everything is going smooth with our child.

Very nice

It's Good

Teach students more of pharmacy's practical perspective as well

More assignments related to the topic should be provided for more practice.

None

Nothing

It's good

Communication in every respect to the students should be well in advance .

Better washrooms

I suggest to give Saturday-Sunday holidays to the students from Next Sem(IV) as they really get tired and exhaust due to Mon-Sat schedule. Or atleast alternate Saturday-Sunday Holiday should be given.

It's going good.

Topics should be showed in animation if possible

Teaching faculty should focus more on concept explanation and clearing doubts of the students.

Academic facilities are good.

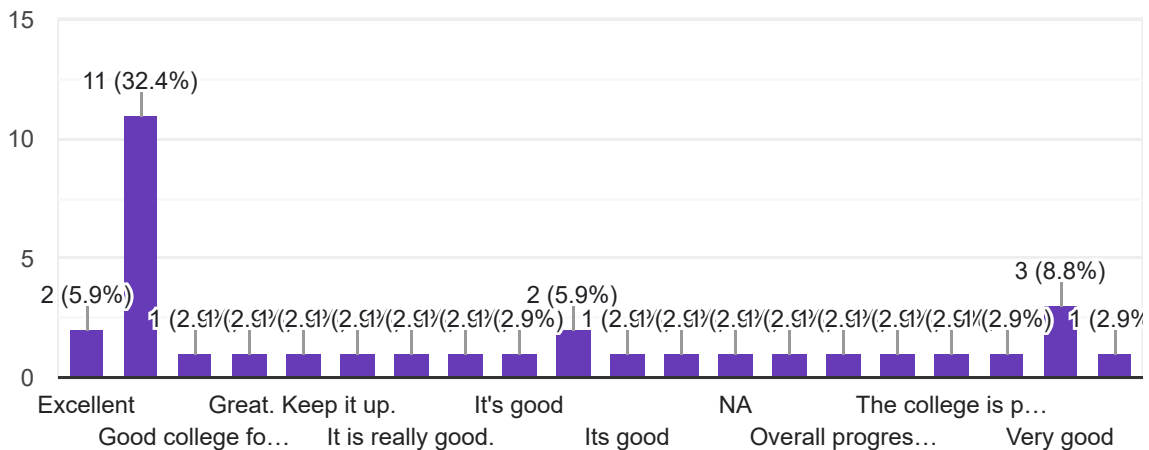

Increase of library book retaining days like for more than a week.

Should provide enough time for preparation of sessionals

Related to the institute * b. What do you want to comment about overall progress of the college? *

No

.

NA

Noo

Can help us to know about future career aspects after completing pharmacy.

Please inform students on prior bases about vacctions and exams !!

Students get stressed during exam time. Please can u keep 1exam instead of 2 exams on the same day

None

As I've mentioned above, college should provide more options of scholarship for noncap students. There are plenty of scholarships for cap students but non cap? Not every student's family is financially stable. Kindly make a note of this and do the needful.
