Sat, Feb 3, 3:05 PM

Dear students,

I would like to inform you about a specially organized **C2C Disha session tailored for M.Pharm students scheduled for Monday, 5/2/2024 from 3:00 PM to 4:00 PM** at Seminar hall. This session is designed to provide valuable insights into counseling and create awareness about the scope of Pharmacovigilance, Clinical Research, Regulatory affairs, and Data Analysis post M.Pharm completion. Expert counselors will be available to provide personalized guidance, address your specific queries, and assist you in making informed decisions for your future in the pharmaceutical industry.

About the Speaker:

Vijay Singh, Associate Director-Surveillance Lead at UCB, Slough, UK

"I have done my Bachelor's and Master's in pharmacy (Pharmacology). I have 14 +years of Pharmacovigilance experience (ICSRs, Aggregate Reports, RMP & Signal Detection). Worked across several companies in Leadership Role in Pharmacovigilance & Clinical Research leveraging my industry experience, knowledge of regulatory affairs, improvement & leadership skills to create efficiencies, drive regulatory compliance and minimize enforcement actions."

The resource for this session will be joining us remotely from the UK, adding an international perspective to the discussion. **I request all Class Representatives (CRs) to acknowledge this communication** and ensure the entire class is seated in the seminar hall by 3:00 PM.
