We must do this (where relevant) as part of the controls implemented by the University to ensure compliance with financial sanctions and anti-money laundering regulations, and to ensure our bank will accept payments from you. This offer of study does not guarantee that we can accept your source of payment and failure to provide an acceptable source of payment may result in the withdrawal of this offer. During your studies and as part of the ongoing controls required to ensure compliance, we may require further information regarding the source of funds associated with payments. Failure to provide this information may affect your ongoing status as a student.

If you are receiving a Postgraduate Master's Loan from Student Finance England you can set up an alternative instalment plan of three payments by direct debit in line with your loan payments. This will only be available if we have received confirmation from Student Finance England that your Postgraduate Master's Loan has been approved, therefore you are encouraged to apply as early as possible at [www.gov.uk/masters-loan/apply](http://www.gov.uk/masters-loan/apply). The Postgraduate Master's Loan is available to help with course fees and living costs while you study and therefore may not cover your tuition fees in full. For more information about postgraduate loans and eligibility, please see [www.gov.uk/masters-loan](http://www.gov.uk/masters-loan).
