## ABOUT US

Established in 2007 under the guidance of Shri. B. L. Boolani, Vivekanand Education Society's College of Pharmacy (VESCOP) aims to create skilled pharmacy professionals with a positive impact on healthcare. Led by Principal Prof. (Mrs.) Supriya Shidhaye, the institution offers B. Pharm. and M. Pharm. courses across disciplines like Quality Assurance, Pharmaceutics, and Pharmaceutical Chemistry. It also conducts Ph.D. programs in Pharmaceutics and Pharmaceutical Chemistry, affiliated with the University of Mumbai, approved by AICTE, PCI, and the Government of Maharashtra, and recognized under UGC Act sections 2(f) and 12(B).

VESCOP is among the very few institutes which Achieved A+ grade from NAAC with a CGPA of 3.46 in May 2022 in its first Cycle. Similarly VES College of Pharmacy was among first few to undergo NBA accreditation successfully. VESCOP is also known for excellence in industrial collaborations through High ranking in AICTE-CII Survey, for its performance through NIRF and ARIIA framework, for its research through accolades in Avishkar Research Convention and Anveshan, Innovation ecosystem through Championship at CiiA venture. The extension activities through Rotrac Club, NSS, PHO Cell and DLLE are also noteworthy.

## ABOUT SEMINAR

Very well expressed by Dr Aparna and I second her feedback. Yesterday's panel discussion was very insightful for students and they are certainly going to take away all imp messages conveyed by each one of you. We are highly grateful to you. Thank so much for taking out your family time for us on your weekend off.

Looking forward to good placement offers from each one of you to our students.

Thanks

Dear Dr. Aparna,

I always feel good to interact with students. But this time it was also insightful because of the presence of lot of senior people including Dr. Sumedha.

I would love to be the part of students interaction in future as well and may guide them on how to become employable.

All the best.

Dear Sir/Madam,

Warm greetings from Vivekanand Education Society's College of Pharmacy (VESCOP).

VESCOP has been creating its footprint in academic, research and industrial connect. Our institute is NAAC accredited and also received good ranking in AICTE-CII survey, NIRF survey, ARIIA framework and NBA accreditation for B.Pharm Course.

With an intention of shaping B. Pharm and M.Pharm graduates having industry readiness and employability skills, VESCOP is organizing an HR meet. It gives us an immense pleasure to invite you as one of the panel members in this meet and share your valuable ideas for effective training of pharmacy students. This initiative will help us in achieving our vision to create competent pharmacy professionals to positively impact healthcare of the Society.

The meet is scheduled on Saturday, 2nd December 2023 at VESCOP.

Your participation will be greatly appreciated in VESCOP's pursuit of a successful HR summit.

Hoping for your confirmation and looking forward to a productive interaction at HR meet.

Dear Aparna,

It will be a pleasure to be part of this event.

Kindly let me know the program details and what you would like me to contribute.

On another note, do you have an alumni group? We are looking for young scientist have about 2-3 years' experience in analytical development and validation work. Let me know if such connect is possible.

Thanks,

Dear Madam,  
In the beginning, we will ask you to give 2-minute introduction about the company and opportunities available for B.Pharm and M.Pharm students in your company.  
Later we will put a few questions to which you will give your advice/comments, maybe 1-2 questions for you:  
Eg Compensation offered is low. What should be the career path for a candidate after entering the company, concluding remarks/advice to the students, etc.  
Regards

## **HR SUMMIT 2023-24**

The Vivekanand Education Society's College of Pharmacy conducted an HR MEET online on December 2, 2023. In which the top representatives of very well-known Pharma companies participated.

The main objective of this event is to bridge the gap between pharma graduates & pharma companies.

The chief guest of this event was.

1. Mrs. Maharukh Rustomjee: Founder, Chief Scientist, and Managing Partner from Amaterasu.
2. Mr: Ratnakar Mehendre: Executive Director, Gelnova
3. Mr. Yashwant Bhaid: VP of Group HR, Hexagon Nutrition
4. Mr. Varghese Abraham, HR Administrator, Western Commercial Corporation
5. Mrs. Chita Arun, HR Manager, Alivira Animal Health
6. Mrs. Deepa Nair, HR Manager, Skinnovation
7. Mr. Abhishekh Kumar, General Manager HR, Raptim Research Ltd

VESCOP Co-ordinator Prof. Jharna Das Madam and Principal Dr. Supriya Shidhaye Madam, HOD Pharmaceuticals department & Industry Institute Cell Co-Ordinator Dr. Rajashree Hirleker, Industry advisor of VESCOP Dr. Sumedha Nadkar and Placement cell In charge Dr. Aparna Palshetkar & Dr. Pushplata Chougule were present for the meet. Final Year B.Pharm and M.Pharm students participated in the meet.

The program started with warm greetings and an introduction of the panel members by Dr. Aparna Palshetkar extended a welcoming address to the panel members and provided an overview of the event's objectives.

Representatives from various pharmaceutical companies offered insights into their organizations, outlining key departments, and shedding light on

Representatives from various pharmaceutical companies offered insights into their organizations, outlining key departments, and shedding light on company culture. They shared details about the array of roles open to B.Pharm and M.Pharm graduates.

- One of the eminent speaker Mrs.Maharukh Rustomjee guided all graduating B.Pharm and M.Pharm students, urging them to keep an open mind and avoid restricting themselves to specific roles. She emphasized the importance of being open to various roles and suggested that, during the initial stages of their careers, students should prioritize learning over salary considerations. She also emphasized the importance of not forgetting one's studies and encouraged everyone to consistently revise essential concepts learned during B.Pharm and M.Pharm, underlining their enduring relevance throughout one's career.
- Another Speaker Mr. Varghese Abraham expressed gratitude to the Placement team for facilitating the provision of candidates for the role of Business Development Executive.
- Mr. Abhishek Kumar provided information about Raptim Research Ltd., highlighting the company's primary involvement in clinical trials. He also emphasized a notable achievement, stating that Raptim Research Ltd. is the sole company in India with approval from the USFDA for five In-Vitro units.
- Dr. Sumedha Nadkar advised final-year B.Pharm and M.Pharm students that beyond drugs and cosmetics, there are additional avenues to explore, such as animal health and human nutrition.
- Mrs. Deepa Nair gave insights into their organizations, outlining key departments, and shed light on company culture. She also thanked the placement team for providing excellent B.Pharm students for their Business Development role.

After that question & answer session started in which top representatives of the pharma industry solved the queries of students.

**Following were the key points discussed.**

**The significance of candidates' comprehensive profiles, encompassing academics, curriculum, and additional experiences.**

- Looking at the overall profile allows for a holistic assessment of an individual's capabilities, competencies, and potential.
- Academics provide a foundational understanding, but other experiences such as extracurricular activities, internships, volunteer work, and hobbies can showcase practical skills, leadership abilities, and personal attributes like resilience and adaptability. Hence, the comprehensive profile of a candidate holds significant importance.

**Guidance on crafting a high-quality career.**

Creating a quality career trajectory requires careful planning, ongoing learning, adaptability, and strategic decision-making. Creating a quality career trajectory requires careful planning, ongoing learning, adaptability, and strategic decision-making. Here are some tips to help you build a successful career graph:

- **Set Clear Goals:** Define your short-term and long-term career goals. Identify the skills, experiences, and milestones you need to achieve along the way.
- **Continuous Learning-** Invest in your education and skill development. Stay updated with industry trends, technologies, and best practices through formal education, workshops, online courses, and certifications.
- **Build a Strong Network-** Cultivate professional relationships with colleagues, mentors, industry experts, and peers. Networking can

provide valuable insights, opportunities, and support throughout your career.

- Gain Diverse Experience- Seek out opportunities to broaden your skill set and knowledge base. Take on new projects, volunteer for challenging assignments, and explore different roles or departments within your organization.
- Demonstrate Leadership- Develop leadership skills by taking initiative, leading projects, mentoring others, and seeking leadership opportunities within your organization or professional community.
- Stay Flexible and Adapt to Change: The job market and industry landscapes are constantly evolving. Stay flexible and adaptable by being open to new opportunities, roles, and career paths.

By following these tips and continuously evaluating and adjusting your career path, you can create a quality career graph that aligns with your goals, values, and aspirations.

Dr. Mrs. Aparna Palshetkar has given a vote of thanks to the representatives & students presented. Principal, Dr. Supriya Shidhaye Madam guided the students and promised that VESCOP will organize such programs from time to time in the future.

## Activity Information:

Objectives	The session on "HPLC - Empowering Multidisciplinary Research" enhanced participants' understanding of High-Performance Liquid Chromatography (HPLC) techniques and their diverse applications across various fields. It facilitated knowledge sharing among researchers, developed skills in method development and analysis, and fostered collaboration opportunities. Attendees engaged in problem-solving discussions, addressed challenges, and explored innovative HPLC applications in pharmaceuticals, environmental science, and food safety. They also gained insights into regulatory requirements and best practices while enjoying valuable networking opportunities with experts and peers in multidisciplinary research.
Methodology	The webinar was conducted in online mode by streaming through YouTube channel of the institute. After the session, question and answer round was conducted. After the session, feedback form was shared with all registered participants to seek their inputs and suggestions
Outcomes	The outcome of the session on "HPLC - Empowering Multidisciplinary Research" was a strengthened understanding of High-Performance Liquid Chromatography (HPLC) among participants, equipping them with practical skills for method development and analysis relevant to their research fields. Attendees established valuable connections, fostering collaboration across disciplines while engaging in problem-solving discussions that addressed specific challenges. The session also highlighted innovative applications of HPLC in various domains, provided insights into

### ACTIVITY INFORMATION:

<b>Objectives</b>	The objective of the event, organised by the Student Council in collaboration with the Rotaract Club of Vivekanand Education Society's College of Pharmacy, was to commemorate World Pharmacist Day. By inviting Mr. Sheetal V. Chandan, a respected Sr. Pharmacy Officer from KEM Hospital, as the honoured Chief Guest, the event aimed to celebrate the contributions of pharmacists to healthcare while fostering a sense of pride and unity within the pharmacy community.
<b>Methodology</b>	The event commenced with a formal acknowledgment of Mr. Sheetal V. Chandan's esteemed presence, highlighting his significant role in the field of pharmacy. This was followed by engaging activities carefully curated to blend education with entertainment, reflecting the essence of World Pharmacist Day.
<b>Outcomes</b>	The event successfully achieved its objective by providing a platform to honour and recognize the invaluable contributions of pharmacists like Mr. Sheetal V. Chandan. Attendees gained a deeper appreciation for the profession while fostering connections and collaboration within the pharmacy community. Moreover, the session filled with fun activities not only added an element of enjoyment but also served as a memorable way to commemorate World Pharmacist Day, leaving participants inspired and motivated to continue their endeavours in the field of pharmacy.

And  
Vivekanand Education Society's College of Pharmacy, Chembur  
Jointly organized

### Workshop on Aavishkar Research Convention: 2023-24

For

### Zone XI

On behalf of the University of Mumbai, Vivekanand Education Society's College of Pharmacy, Chembur conducted a Workshop on Aavishkar Research Convention: 2023-24 on 25 July 2023 from 8:30 AM to 5:00 PM. The workshop was organized under the guidance of Dr. Sunil Patil, Director, Department of Students' Development, University of Mumbai. It was held for all Faculty members and Students of Mumbai University of Zone XI. Total 33 faculty members from 15 institutes and 65 students from 19 institutes participated in this workshop.

Mrs. Pradnya Korlekar, Aavishkar University Co-Coordinator & Dr. Reshma Tendulkar, Aavishkar College Coordinator welcomed the University officials, resource persons and participants for the workshop. Dr. Mushtaque Shaikh, HOD Pharmaceutical Chemistry Department, VES COP, felicitated the University officials and resource persons after Saraswati Vandana and lamp lightning. Ms. Chinmayee Bhide provided a brief introduction of the resource persons.

Dr. Sunita Shailajan and Dr. Sasikumar Menon guided the participants regarding the presentation of Aavishkar Research proposals in the first session. They elaborated on the key points for furnishing the Powerpoint Presentations for the Convention. They also gave insights of the winning presentations and research proposals. They specifically highlighted the need for a brief literature survey in order to enhance your research proposal. They explained the common mistakes the students generally commit when presenting. They demonstrated the judge's point of view while examining the participant's proposals. Dr. Minakshi Gurav briefed about the rules, regulations and scope of Avishkar Research Convention to the participants.

Post-lunch activity was conducted by the speakers to effectively convey their message delivered in the first session. The audience was assembled into a group of 10 participants and was assigned a name of a particular scientist on plaque cards. The group was provided with a research article. The groups were provided with a chart paper & were asked to prepare a poster on the provided research article and present it to the speakers. The audience was actively engaged in the activity & presented competent results. The speakers then judged the participants based on their performance & were awarded with first, second & third prizes. The winners were treated with chocolates as a token of their performance.

Mrs. Rashmi Wani, Mr. Nipun and Mr. Rohan Choudhary, former winners of Avishkar Research Convention shared their views regarding the creation of research ideas and its presentation to the Convention. The workshop concluded with a vote of thanks. The participants of the workshop were provided with certificates.

This workshop created awareness among participants and helped them in knowing about the entire process of Avishkar Research Convention. Mrs. Pradnya Korlekar and Dr. Reshma Tendulkar took efforts under the guidance of Principal, Dr. Supriya Shidhaye to conduct this workshop smoothly at VES COP.

Dear Professors,

As a next step to our AIP initiative, we have to conduct the test and interview. For that, our students need to register for the upcoming test.

Please find below the Nextstep link for candidate to register and they need to opt for BPS.

<https://nextstep.tcs.com/campus/#/>

The students must register at the earliest, as seats get full for a given location fast. If possible, ensure they register today itself.

During the registration process, they have to select "BPS", as any other selection will lead to disqualification of that candidate. For a seamless registration process, recommend them to register preferably through a laptop.

After they have registered successfully, please share in a single excel file their name, mobile number, registered email address and DT number generated. We need these details to track them after the test.

It would be really helpful, if you can send me or Ravi these details latest by tomorrow end of day.

Awaiting. Thank you for support.

Regards,  
Dr. Abhishek Mane
