M.Pharm., Ph.D. (Tech)  
Principal

Ref: VESCOP/OL/ 175 of 2017

Date: 17<sup>th</sup> Feb 2017

To,

Head,

Media Relation and Public Awareness Section,

Bhabha Atomic Research Centre (BARC), Mumbai, India.

Dear Sir/ Madam,

We hereby express our sincere gratitude for giving our S Y B Pharm Students opportunity to visit BARC on Tuesday, 14<sup>th</sup> Feb 2017.

It was indeed a very good learning experience for our students. This visit will certainly assist students in correlating the theoretical aspects with the industrial applications.

We once again thank you and look forward for a long term association with your organization for such activities.

With Warm Regards,

**Mr. Ojaskumar D. Agrawal (Assistant Professor)**  
S.Y.B.Pharm Class Coordinator

**Dr. (Mrs.) Supriya S. Shidhaye**  
Principal

**Dr. (Mrs.) Supriya S. Shidhaye**  
**PRINCIPAL**  
**Vivekanand Education Society's**  
**College of Pharmacy**  
HAMC, Behind Collector Colony,  
Chembur, Mumbai - 400 074.

One of the recent experiments related to the remote handling includes the use of parallel manipulator for brain surgery. These instruments possess innumerable applications in the field of medicine.

The Bhabatron-II and simulator in BARC play a vital role in diagnostic procedures related to the radioactive metals. Also, an HDR source assembly is used as a treatment methodology for brachytherapy.

### **THE SUPERCOMPUTER**

The Anupam Aganya supercomputer series is designed by the Bhabha Atomic Research center for their internal usages involving scientific studies. It can perform  $110 \times 10^{12}$  calculations per second. It is mainly used for molecular dynamical simulations, reactor physics, theoretical physics, computational chemistry, computational fluid dynamics, and finite element analysis.

This Industrial visit to one of the most renowned research Centre in the world and India's premiere nuclear research facility was a great opportunity to learn and explore. For future aspiring pharmacists like us, it indeed was a brilliant experience.

**Report prepared by: Ms. Ashmita and Ms. Anushka S Y B.Pharm.**

**Report checked by: Mr. Ojaskumar D. Agrawal and Mrs. Ashwini Wani**

22<sup>nd</sup> Dec 2016

To,

Dr. A. K. Tyagi

Head: Solid State Chemistry Section, Chemistry Division,

Bhabha Atomic Research Centre (BARC), Mumbai, India

Professor of Chemistry,

Homi Bhabha National Institute (HBNI), Mumbai, India

Respected Sir,

As a part of curriculum our students are expected to visit a Research Institute. This year our students are very eager to visit your esteemed Institute. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as research facilities, material managements, quality control system, research and development activities etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

I wish to conduct this visit for our Second Year B. Pharm. students. I request you to grant permission for the same. Any schedule as per your convenience will be tried best to accommodate. My class strength is about 66 and the class would be accompanied by two faculty members. Kindly let me know if you can permit us to visit your research centre.

Thanking You,

# Gansons

Better Solutions Since 1947

22<sup>nd</sup> July 2016

Ms Ganga Srinivasan  
Vivekanand Education Society's,  
College of Pharmacy,  
Mumbai.

**Sub: Project work related at Gansons Ltd, Thane facility from August 2016 to April 2017**

This is with reference to the understanding between Gansons Limited and Vivekanand College of Pharmacy, Mumbai related to part of the students' project studies to be carried out at the company's Thane facility.

The following are the terms and conditions for working on the project:

1. The following students will be working at our facility at Thane for nine months with effective from August 2016 to April 2017:
  - a. Priyanka Vaishampayan
  - b. Mugdha Pednekar
  - c. Sayali Padhye
  - d. Payal Pansare
  - e. Sreeja Nair
2. Please note that the students are required not to divulge, disclose or make public either directly or indirectly to any person, firm, or body, corporate, or make use of whatsoever for their knowledge, information or document, secret technical information, processes, or any details of any process, methods of research or invention or manufacture any other trade secrets or financial company documents concerning business, finances, affairs, or property of the company.
3. Please note that in event of any violation, Gansons shall without prejudice to any remedy under any law for time being in force take disciplinary action against the College and the concerned student.

Thanking You.
