Subject: Permission to arrange Blood Bank visit by our students and staff

Respected Sir / Madam,

As a part of curriculum our students are expected to visit an industry / Blood Bank / Hospital. This year our students are very eager to visit your Blood Bank. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as Storage of Blood, separation of different components of blood, blood bank design, quality control system etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

We want to conduct this visit for our Second Year B. Pharm. students. We request you to grant permission to visit your organization. Any schedule as per your convenience will be tried best to accommodate. Our class strength is about 60 and the class would be accompanied by two faculty members. Kindly let us know if you can permit us to visit your factory premises.

Thanking You,
With kind regards,
