Subject: Permission to arrange a factory visit for our students and staff

Respected Sir/ Madam,

As part of educational tour to industry our students are very eager to visit your factory. The purpose of visiting the factory is to give an opportunity to broaden their learning beyond their syllabus with respect to aspect such as factory design, manufacturing processes, material management, quality control, packaging, etc. Likewise this will assist in correlating the theoretical aspects with the industrial applications.

We want to conduct this visit for our first year B. Pharm students. We request to grant permission for the same. We would be obliged to have a visit preferably on 13th march 2020. Our class strength is about 50 and the class would be accompanied by two faculty members.

Thanking you, with kind regards.
