Subject: Permission to arrange Blood Bank visit by our students and staff

Respected Sir / Madam,

As a part of curriculum our students are expected to visit an industry / Blood Bank / Hospital. This year our students are very eager to visit your Blood Bank. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as Storage of Blood, separation of different components of blood, blood bank design, quality control system etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

We want to conduct this visit for our Second Year B. Pharm. Students. We request you to grant permission to visit your organization. Any schedule as per your convenience will be tried best to accommodate. Our class strength is about 65 and the class would be accompanied by two faculty members. Kindly let us know if you can permit us to visit your factory premises.

Thanking You,
With kind regards,

Dear Sir/ Madam,

With reference to the recent Blood Bank visit of our Second Year B. Pharm students to your organization, I hereby express my gratitude to you for organizing the same.

It was a very good learning experience for our students. This visit will assist in correlating the theoretical aspects with the industrial applications.

I once again thank you and look forward for a long term association with your organization for such activities.

Mr. Ojaskumar D. Agrawal | VES College of Pharmacy, Mumbai -400 074

Details of the Activity

Sr.No	Activity	Timing	Date	Location
1	Visit to Blood bank	10:00am	10 th and 11 th April, 2019	Wamanrao Oka Raktapedhi, Ghantali Devi road, Naupada ,Thane West, Thane 400602

Description of the activity:

Our Blood Bank visit to Wamanrao Oka Raktapedhi,Thane was accompanied by Mr.Ojaskumar Agrawal Sir and Mrs. Sonali Munj Ma'am on 10th April and on 11th April the teachers incharge were Mr. Pratip Chaskar Sir and Ms. Karunavati Nabar Ma'am .

The blood bank was a 5 storey tall building beginning with the counselling room on the ground floor ,where the form consisting of donor details were asked to be filled .This required information such as Donor name ,age ,medical history (any ongoing medication ,illness ,sleep cycle ,any surgery major /minor), donation history ,etc.

The donor is then taken to the administration room on the first floor where he/she is asked to check for their Hb count by using copper sulphate solution and it is required to be more than 12.5 units .Also the blood group of the donor is determined here .Adjacent to the administration room is the medical examination room where the BP of the donor is checked ,also the donor is checked for any heart related disease such as arrhythmia .Next to it is the room for blood collection – this procedure involves the following steps :
