Hello Dr. Bhatia,

While visit to the premises is not possible. I will be able to provide latest photographs of the R & D facility during the online interactions. I can keep this session on 11th June from 3.0 to 4.0 PM. I prefer the teams or webex platform as Zoom is not accessible from my laptop. Let me know your thoughts so I will block my calendar accordingly.

Best Regards,

Kedar V. Chikhalikar

Subject: Permission to arrange a factory visit for our students and staff

Respected Sir/ Madam,

As part of educational tour to industry our students are very eager to visit your factory. The purpose of visiting the factory is to give an opportunity to broaden their learning beyond their syllabus with respect to aspect such as factory design, manufacturing processes, material management, quality control, packaging, etc. Likewise this will assist in correlating the theoretical aspects with the industrial applications.

We want to conduct this visit for our first year B. Pharm students. We request to grant permission for the same. We would be obliged to have a visit preferably on 13th march 2020. Our class strength is about 50 and the class would be accompanied by two faculty members.

Thanking you, with kind regards.

- Transport:** NMMT bus no. 52 or 55 from Belapur rly stn or bus no. 54 from Kharghar rly stn (frequency ~10 min) come to our campus (map and directions attached) - ask for the "Tata Hospital" stop. Bus travel time to our campus from Belapur station is around 22 minutes and from Kharghar station is around 15 minutes. Therefore do ensure that you reach either station well in time to reach our campus.
- Entry into ACTREC:** Please enter the ACTREC campus together as a group, wearing your college identity cards. Carry a printout of this email. Proceed directly to the Poster display in the entrance foyer of Khanolkar Shodhika.
- Refreshments:** Students and faculty are advised to carry drinking water with them. Refreshments will be available on payment basis at the Visitors Canteen (open door outside Paymaster Shodhika).

Details about the Open Day 2019 lab demonstrations will be uploaded on the ACTREC website shortly. The link is: <http://actrec.gov.in/OpenDay/OD2019.pdf>.

Please confirm about your visit and participation by replying to this email. For any clarifications, please revert back. In case you plan to cancel your visit for any reasons, please intimate us immediately to accommodate other colleges which are on wait list.

Thanks and Regards,

✍

Dear Krushil,

With reference to the internship role with Merck and the subsequent interview you had with us, we are pleased to offer you the position of "Intern" in the "Global Formulation Application Lab" Department of Merck Life Science Private Limited.

Your internship will be from 20th May 2019 to 20th June 2019.

You are required to share scan copies of your educational certificates along with your latest passport size photograph.

Kindly endorse your acceptance by signing the enclosed duplicate and returning the same to us.

You will receive a "Certificate of Merit" from "Global Formulation Application Lab" Department of Merck Life Science Private Limited post completion of your internship.

You are required to join us on 20th May 2019 and report to Dr. Hemgir Gosavi, failing which, this internship stands withdrawn.

Yours faithfully,

Subject: Permission to arrange Blood Bank visit by our students and staff

Respected Sir / Madam,

As a part of curriculum our students are expected to visit an industry / Blood Bank / Hospital. This year our students are very eager to visit your Blood Bank. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as Storage of Blood, separation of different components of blood, blood bank design, quality control system etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

We want to conduct this visit for our Second Year B. Pharm. Students. We request you to grant permission to visit your organization. Any schedule as per your convenience will be tried best to accommodate. Our class strength is about 65 and the class would be accompanied by two faculty members. Kindly let us know if you can permit us to visit your factory premises.

Thanking You,
With kind regards,

Dear Sir/ Madam,

With reference to the recent Blood Bank visit of our Second Year B. Pharm students to your organization, I hereby express my gratitude to you for organizing the same.

It was a very good learning experience for our students. This visit will assist in correlating the theoretical aspects with the industrial applications.

I once again thank you and look forward for a long term association with your organization for such activities.

Activity Report – Blood Bank Visit

Organising Institute: VES College of Pharmacy, Mumbai

Class: SYBPharm SEM IV

Co-ordinator of Activity

Mr. Ojaskumar D. Agrawal | VES College of Pharmacy, Mumbai -400 074

Details of the Activity

Sr.No	Activity	Timing	Date	Location
1	Visit to Blood bank	10:00am	10 th and 11 th April, 2019	Wamanrao Oka Raktapedhi, Ghantali Devi road, Naupada ,Thane West, Thane 400602

Description of the activity:

Our Blood Bank visit to Wamanrao Oka Raktapedhi, Thane was accompanied by Mr. Ojaskumar Agrawal Sir and Mrs. Sonali Munj Ma'am on 10th April and on 11th April the teachers incharge were Mr. Pratip Chaskar Sir and Ms. Karunavati Nabar Ma'am .

The blood bank was a 5 storey tall building beginning with the counselling room on the ground floor ,where the form consisting of donor details were asked to be filled .This required information such as Donor name ,age ,medical history (any ongoing medication ,illness ,sleep cycle ,any surgery major /minor), donation history ,etc.

The donor is then taken to the administration room on the first floor where he/she is asked to check for their Hb count by using copper sulphate solution and it is required to be more than 12.5 units .Also the blood group of the donor is determined here .Adjacent to the administration room is the medical examination room where the BP of the donor is checked ,also the donor is checked for any heart related disease such as arrhythmia .Next to it is the room for blood collection – this procedure involves the following steps :

Subject: Permission to arrange Blood Bank visit by our students and staff

Respected Sir / Madam,

As a part of curriculum our students are expected to visit an industry / Blood Bank / Hospital. This year our students are very eager to visit your Blood Bank. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as Storage of Blood, separation of different components of blood, blood bank design, quality control system etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

We want to conduct this visit for our Second Year B. Pharm. students. We request you to grant permission to visit your organization. Any schedule as per your convenience will be tried best to accommodate. Our class strength is about 60 and the class would be accompanied by two faculty members. Kindly let us know if you can permit us to visit your factory premises.

Thanking You,
With kind regards,

Mr. Ojaskumar D. Agrawal | Asst. Prof. | VESCOP |

Dear Sir/ Madam,

With reference to the recent Blood Bank visit of our Second Year B. Pharm students to your organization, I hereby express my gratitude to you for organizing the same.

It was a very good learning experience for our students. This visit will assist in correlating the theoretical aspects with the industrial applications.

I once again thank you and look forward for a long term association with your organization for such activities.

Bhabha Atomic Research Centre (BARC), Mumbai, India.

Dear Sir/ Madam,

We hereby express our sincere gratitude for giving our S Y B Pharm Students opportunity to visit BARC on Tuesday, 14th Feb 2017.

It was indeed a very good learning experience for our students. This visit will certainly assist students in correlating the theoretical aspects with the industrial applications.

We once again thank you and look forward for a long term association with your organization for such activities.

With Warm Regards,

Mr. Ojaskumar D. Agrawal (Assistant Professor)

One of the recent experiments related to the remote handling includes the use of parallel manipulator for brain surgery. These instruments possess innumerable applications in the field of medicine.

The Bhabatron-II and simulator in BARC play a vital role in diagnostic procedures related to the radioactive metals. Also, an HDR source assembly is used as a treatment methodology for brachytherapy.

THE SUPERCOMPUTER

The Anupam Aganya supercomputer series is designed by the Bhabha Atomic Research center for their internal usages involving scientific studies. It can perform 110×10^{12} calculations per second. It is mainly used for molecular dynamical simulations, reactor physics, theoretical physics, computational chemistry, computational fluid dynamics, and finite element analysis.

This Industrial visit to one of the most renowned research Centre in the world and India's premiere nuclear research facility was a great opportunity to learn and explore. For future aspiring pharmacists like us, it indeed was a brilliant experience.

Respected Sir,

As a part of curriculum our students are expected to visit a Research Institute. This year our students are very eager to visit your esteemed Institute. The purpose of visiting is to give an opportunity to broaden their learning beyond the syllabus with respect to aspects such as research facilities, material managements, quality control system, research and development activities etc. Likewise, this will assist in correlating theoretical concepts with the industrial applications.

I wish to conduct this visit for our Second Year B. Pharm. students. I request you to grant permission for the same. Any schedule as per your convenience will be tried best to accommodate. My class strength is about 66 and the class would be accompanied by two faculty members. Kindly let me know if you can permit us to visit your research centre.
