Dear students and dear parents

We are happy to extend our library facility of issue and return of books. We do understand your concern that it's very hectic for the students to read and study from soft copies of books, especially for those students who are using mobile screen for online learning purposes. Thus, we are providing issue return facility of books. We sincerely request you, to please avail this facility in the right spirit so that needy students will be benefited. As you are aware, the AY 19-20 batch also has to appear for the exam, and thus we will have to accommodate even them for this activity. As per records, many students (AY 19-20) have issued the books (before the lockdown) and thus we may fall short of books in circulation, if they are unable to return the same.

In spite of our sincere efforts and objective to extend this facility, activity may not be able to fulfill all your expectations as the situation is not yet very favorable outside. We request all parents and students to explore other options also which are available eg: issuing the book and Xeroxing the required content and returning the same ASAP, since most of the teachers have shared soft copies, taking printouts from nearby sources, contacting seniors and taking notes from them etc. This will help the college to manage crowd visiting library following all social distancing rules, if number of days taken with the book are reduced naturally more number of students will be able to issue it and it will also reduce waiting numbers, if Xeroxing/printing is done, then that material will remain with student for entire semester and will be really helpful which is very much advisable in given situation. Book bank facility will be extended based on the response received for issue return facility and accordingly notified.

Dear parents and students, we are sure that you will understand the situation and will come forward to help each other. Your cooperation is highly solicited.

**For the first transaction kindly consider allotted days**

11th Sep 2020: T.Y. B.Pharm (Both divisions)

15th Sep 2020: S.Y.B.Pharm (Both divisions)

**Please find attached SOP, Authority letter from student, NOC by parents and Calendar for library open days.**

Kindly contact librarian madam in case of any query.
