Department of Pharmaceutics and Drug Delivery School of Pharmacy

Dear Mr. Jay Bharat Juthani,

The Department of Pharmaceutics and Drug Delivery wishes to thank you for your interest in enrolling in our Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program. Our Department is always trying to improve the quality and availability of this program to all qualified students. Since 2016, our Master's program has achieved 100% graduate placement.

This Letter is to offer you admission to the Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program starting in the Fall 2021 semester. This admission is to be from August, 2021 through July, 2022. This is a 2-year program. Your admission may be extended for the second year as per the guidelines designated by our Department and the University of Mississippi's Graduate School (e.g. maintaining a 3.0 GPA for your graduate courses).

A great benefit of this program is that should you perform well in this Master's program, you would be considered for our Ph.D. in Pharmaceutical Sciences with emphasis in Pharmaceutics program, which would provide a stipend and a full tuition waiver.

Another exciting advantage to our program is that all Master's students will engage in our "Hands-On Course in Tablet Technology" (\$3000 value), which is attended by scientists from industry, government agencies (e.g. FDA) and academia. To find out more about this opportunity please visit: www.tabcourse.com

You will be granted admission to the Department of Pharmaceutics and Drug Delivery upon agreement to the following conditions:

- 1.) The student will be totally self-funded for the entire 2-year duration. There will be no graduate research assistantships and/or tuition waivers from the Department of Pharmaceutics and Drug Delivery or The University of Mississippi. The student may be permitted by the Department Chair to accept on campus student worker positions (no tuition waiver) in the Pharmaceutics and Drug Delivery Department, *as well as other units within the University*. The Department of Pharmaceutics and Drug Delivery will offer funding for student workers (no tuition waiver) starting in the 2nd year. A student can work in a student worker position for *up to* 20 hours per week.
- 2.) The student will be responsible for tuition, books, meals, housing, insurance and transportation to and from classes.
- 3.) The student will not seek employment outside the University for any type of work during the fall or spring semesters. However, the student may apply for external internships during the summer or the December/January break.

P.O. Box 1848 | University, MS 38477-1848 |Phone: (662)915-7341 |Fax: (662)915-1177

- Should you agree to these conditions, you will be assigned your responsibilities for courses to be taken and your research activities. The granting of your admission carries the responsibility of completing your course work and your thesis work required to successfully complete your Master's degree. The Faculty of the Department makes an evaluation of all graduate students annually and a satisfactory evaluation must be attained for continuation of your work toward your Master's degree. Based on your performance in the Master's program, and the availability of funding in the Ph.D. program, you may be considered for progression into the Ph.D. program

Please acknowledge acceptance of this appointment by signing on the space provided and returning a copy of this letter to me as soon as possible by email.

I heartily welcome you as a graduate student in the Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program in the Department of Pharmaceutics and Drug Delivery and look forward to working with you toward your degree and your future.

Best Regards,

Dr. Michael A. Repka Chair & Rrofessor Department of Pharmaceutics and Drug Delivery

Dr. (Mrs.) Supriya S. Shidhaye PRINCIPAL Vivekanand Education Society's College of Pharmacy HAMC, Behind Collector Colony, Chembur, Mumbai - 400 074,

Department of Pharmaceutics and Drug Delivery School of Pharmacy

Dear Mr. Kavish Dilip Sanil,

The Department of Pharmaceutics and Drug Delivery wishes to thank you for your interest in enrolling in our Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program. Our Department is always trying to improve the quality and availability of this program to all qualified students. Since 2016, our Master's program has achieved **100% graduate placement**.

This Letter is to offer you admission to the Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program starting in the Fall 2021 semester. This admission is to be from August, 2021 through July, 2022. This is a 2-year program. Your admission may be extended for the second year as per the guidelines designated by our Department and the University of Mississippi's Graduate School (e.g. maintaining a 3.0 GPA for your graduate courses).

A great benefit of this program is that should you perform well in this Master's program, you would be considered for our Ph.D. in Pharmaceutical Sciences with emphasis in Pharmaceutics program, which would provide a stipend and a full tuition waiver.

Another exciting advantage to our program is that all Master's students will engage in our "Hands-On Course in Tablet Technology" (\$3000 value), which is attended by scientists from industry, government agencies (e.g. FDA) and academia. To find out more about this opportunity please visit: <u>www.tabcourse.com</u>

You will be granted admission to the Department of Pharmaceutics and Drug Delivery upon agreement to the following conditions:

- 1.) The student will be totally self-funded for the entire 2-year duration. There will be no graduate research assistantships and/or tuition waivers from the Department of Pharmaceutics and Drug Delivery or The University of Mississippi. The student may be permitted by the Department Chair to accept on campus student worker positions (no tuition waiver) in the Pharmaceutics and Drug Delivery Department, *as well as other units within the University*. The Department of Pharmaceutics and Drug Delivery will offer funding for student workers (no tuition waiver) starting in the 2nd year. A student can work in a student worker position for *up to* 20 hours per week.
- 2.) The student will be responsible for tuition, books, meals, housing, insurance and transportation to and from classes.
- 3.) The student will not seek employment outside the University for any type of work during the fall or spring semesters. However, the student may apply for external internships during the summer or the December/January break.

P.O. Box 1848 | University, MS 38677-1848 |Phone: (662)915-7341 |Fax: (662)915-1177

Should you agree to these conditions, you will be assigned your responsibilities for courses to be taken and your research activities. The granting of your admission carries the responsibility of completing your course work and your thesis work required to successfully complete your Master's degree. The Faculty of the Department makes an evaluation of all graduate students annually and a satisfactory evaluation must be attained for continuation of your work toward your Master's degree. Based on your performance in the Master's program, and the availability of funding in the Ph.D. program, you may be considered for progression into the Ph.D. program following completion of the Master's program.

Please acknowledge acceptance of this appointment by signing on the space provided and returning a copy of this letter to me as soon as possible by email.

I heartily welcome you as a graduate student in the Master's in Pharmaceutical Sciences with emphasis in Pharmaceutics program in the Department of Pharmaceutics and Drug Delivery and look forward to working with you toward your degree and your future.

Best Regards, la

Dr. Michael A. Repka Chair & Rrofessor Department of Pharmaceutics and Drug Delivery

cc: Office of International Programs

I hereby accept the appointment described above:

Abel Biju Standard Building No-7, B-102, Mahalaxmi Nagar Nere, Sector-8 New Panvel Navi Mumbai Maharashtra 410206 India

Dear Abel Biju,

Congratulations! You have been accepted to study at <u>Camosun College in Victoria, BC, Canada</u>. The attached Letter of Acceptance is one of the documents you need to apply for or change a Canadian <u>Study Permit</u>. If the length of study indicated in Box 26 is longer than six (6) months, you must apply for a post-secondary study permit. It is your responsibility to ensure that you have a valid study permit for the full duration of your program of study. If Box 24 is marked "Yes", please apply for a Co-op work permit when you apply for your study permit.

Please note that you are expected to attend <u>Orientation</u>. If you are not able to arrive in time for Orientation, you are to defer your start date. You must submit your request to defer to the Camosun International Office at least ten (10) days before classes begin. Please refer to our <u>Refund and Deferral Procedure</u> for more information.

- Notify us of the status of your study permit application at least ten (10) days before the start of classes.
- Medical Insurance: You are required to have medical insurance while you are studying in Canada. If you are planning to travel to Canada, please contact the International Student Service team at <u>international advisors@camosun.ca</u> to ensure that you have appropriate coverage until your British Columbia's Medical Services Plan (MSP) activates. If you do not have appropriate coverage, please contact us and we can register you for guard.me.
- Review important information for <u>Accepted Students</u>.
- Register for <u>Orientation</u>.
- Your starting point has not been identified and you will need to write the Camosun English Assessment prior to Orientation.
- Official, sealed transcripts must be received by Camosun International. Please provide certified English translations for all transcripts.

We look forward to welcoming you to Camosun College and hope you will enjoy the time you spend with us.

Sincerely, Camosun International Admissions Camosun College
