HR summit 2020-21

Minutes of Meeting

HR summit 2021 was organized on 9th June 2021.

Following Resource persons from industry and allied fields participated in the meet:

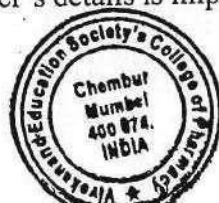

1. Ms. Shrutika Kotian: Assistant Manager (HR Business partner) from Aditya Birla Sunlife
2. Ms. Aditi Sharma: Lead IP Specialist from VKnow Patent Services
3. Mr. Nikhil Hingne: Associate Manager (HR) from Coca Cola CPS India
4. Ms. Smita Khapne: HR Business partner from Procter & Gamble Health Ltd.
5. Mr. Mustufa Mukadam: Manager Human Resource from Adroit Biomed. Ltd.

Co-ordinator Prof. Jharna Das madam and Principal Supriya Shidhaye were present for the meet. All the faculty members along with TY and LY B. Pharm and M. Pharm students attended the meet.

The event started with greetings and introduction of panel members by Dr. Aparna Palshetkar Placement Incharge. Honorable Principal Madam Dr. Supriya Shidhaye welcomed the panel members and explained the objectives of the event. Later Dr. Anita Ayre, Associate Professor and NBA coordinator briefed the audience about honors and achievements of VES College of Pharmacy with an effective presentation. Dr. Rajashree Hirlekar, IQAC coordinator conveyed the perspective of IQAC with respect to the placement policy of VES College of Pharmacy and further initiated with the interactive session followed by student's questions. The session was interactive between the panel members and the audience. Queries pertaining to dress code, CV writing and frequently asked questions during HR interview rounds and performance in the work place were elaborately conversed.

Following were the key points discussed.

- **Appropriate presentation while facing the interview:**
 - The candidate going for a corporate interview should be officially well dressed, well-groomed in comfortable formal attire.
- **Expected traits from the candidates:**
 - Technically sound, thorough in curriculum and basics.
 - Confident
 - Will for learning new things as it is required during training
 - During initial days, committing mistakes is fine, provided being proactive in accepting and correcting it.
- **Expected Qualities:**
 - Honesty in displaying information in the resume.
 - Knowledge of employer's details is important.

Dr. (Mrs.) Supriya S. Shidhaye

HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074.

VES COLLEGE OF PHARMACY
Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

- Confidence is important.
- Well informed regarding the field applied.
- Updated with current scenario going around.
- Sincerity and stability in the company.
- **Challenges to overcome while facing interview on line:**
 - Wear headphones to be audible as well as hear properly.
 - Clean background or change background in the computer/laptop
 - Select a place with fewer disturbances. Do not interact with family members during an interview.
 - Cell phone should be fully charged, wifi, a secondary tool should be ready for digital connectivity.
 - Eye contact is important. Look at the camera, avoid malpractice.
 - Decent formal comfortable clothing.
- **Expectations regarding salary**
 - As a fresher, first challenge would be to accommodate yourself into the industry.
 - Even if getting less pay, gain experience, knowledge and then apply and ask for higher salary. Company does recognize hardworking candidates. They are given the opportunities to grow more and salary will follow. .
 - Try to pick up the job where learning exposure is given, try to absorb their traits and get the relevant experience.
- **English language inhibition for vernacular candidates, how to deal with it?:**
 - Communicating in English is important, not fluency.
 - Understand the question and then reply to them.
 - Most of the questions come from resumes so do not copy paste.
 - Write biodata by hand, revise it, practice in front of mirror 5-10 times in a day, fluency in English will be achieved.
 - To overcome the fear of language practice is the only solution.
- **Does CV play a role in shortlisting a candidate?**
 - CV does make an impact. Understanding what is written in the resume is important.
 - For a fresher basic personal knowledge along with educational facts and academic basics are important.
 - Candidate with good presentable CV, not too fancy, able to communicate, making sense can be called for an interview.
 - A CV not advisable to be of 5-6 pages.
- **Answer to the question asked by HR on what is your weakness?**
 - HR wants to see how much eagerness the candidate has to learn

 Dr. (Mrs.) Supriya S. Shidhaye

 Vivekanand Education Society's
 College of Pharmacy
 HAMC, Behind Collector Colony,
 Chembur, Mumbai - 400 074.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

- Go for 2-3 things which are attached to the job profile but display positivity that it can be overcome
- For example: The candidate can show that some secondary skill which is required for the job is the weakness, but will try to overcome.
- **Do's and don'ts while giving an introduction about yourself**
 - Do's
 - Keep the CV simple.
 - Try to create a positive image in front of a HR.
 - Introduce yourself confidently. Don't talk continuously, take pauses, highlight your strengths and come up boldly.
 - Maintain a chronology maybe from schooling career till date or vice versa.
 - Highlight your skills and achievements, key points, key times, discuss your projects.
 - Don'ts
 - For example, if there is a gap in education, do not stress on that point and explain why the gap was taken.
- **Advise on getting CVs written from available sites:**
 - A fresher candidate should write his/her own CV. The candidate with a good, polished English CV will land employee only till the interview table, ultimately candidate answering interview questions will decide whether the person will get a job or not.
 - Rather invest in yourself, develop yourself and automatically you will get the job.
 - There are many free websites, go through CVs and write your own CV keeping things simple.
- **Ideal reply for a question to which we don't have any answer?**
 - Simply say I don't know or sorry I do not have an answer.
- **Answer to question of: Where do you look yourself at the end of 5 years?**
 - Where do you see yourself in 5 years is how do you grow, how do you learn, to which status you want see yourself, so it is not a designation it's not a salary number, it's all about your learning capabilities in 5 years and projects to work upon.
 - Clarity in thoughts is checked.
 - Candidates should set the targets, take steps to achieve the target, attain them and then set another target.
- **Answer to: Why should we hire you?**
 - HR is reading mental state/ state of mind of candidate appearing for the interview. Candidate should express his positive traits.

 Dr. (Mrs.) Supriya S. Shidhaye
 PRINCIPAL

 HAMC, Behind Collector Colony,
 Chembur, Mumbai - 400 074

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

- **Answer to Handling work pressure type of questions:**
 - HR would like to understand mental strength and stability in tough times.
 - HR would like see the mental block whether the candidate can handle multitasking and ready for work pressure.
- **Adaptability to the industry culture?**
 - Good listening power to understand things, gain knowledge before answering and give best to whatever is assigned.
 - Teamwork for better coordination and ability to multitask.
 - Proactive, energetic, hardworking to complete the assigned task to meet targets, create impression that can help you in your growth.
 - Gain maximum knowledge, meet stakeholders, meet different teams, take up projects.
 - Ask for help if required from colleagues and juniors.
 - Domain knowledge should be updated. Desire to learn and technical knowledge, it is not just the cover but content matters a lot.
 - Team dynamics: cordial and mutual relations with seniors and other departments is required to perform better.
 - Give respect to everyone, don't humiliate, respect and don't hesitate to put ideas in a rightful way.

Principal Madam shared her few words of wisdom relating to positive stress in work is very essential making person more efficient, one should inculcate time pressure in you and not miss the timelines. Everyone should maintain a calendar to complete given task in time bound and organized manner. Madam also suggested students to gain experience for 2-3 years in the company and then go for higher studies. Industry training is conducted to learn industry practices to bridge a gap of skills between theoretical knowledge of academics and practical of industry and students should pay full attention during the tenure. The jobs especially in R & D department, any other innovation product sector or any department where the management of the company invests in employee a lot and may require signing of the bond. Company takes efforts and don't want to lose the trained talent.

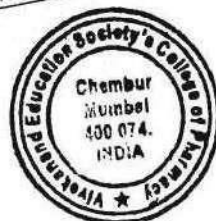

CV reflecting short tenure with any company will create bad impact of the candidate.

Madam emphasized that money is not the question, it is all about skills, become a good person money will flow in.

The interactive session was concluded with Vote of thanks delivered by Dr. Rajashree Hirlekar.

ONLINE WEBINAR ON

'RESEARCH OPPORTUNITIES FOR PHARMACY GRADUATES'

Date: 7th August, 2021; 11.00 a.m. – 12.30 p.m.

ABOUT THE WEBINAR

The webinar aims at highlighting the key skill sets and aptitude needed to pursue research after graduation and will give insights on research and innovation from academia as well as industry perspective.

Registration link:

<https://forms.gle/g1Gh1Mq7HhpP7oVh7>

SPEAKERS

Prof. Mangal Nagarsenkar

Research Advisor, V.E.S. College of Pharmacy.

Topic - Getting started with research - A primer for B. Pharm graduates

Dr. Pankaj Pathak

Senior Sales Manager, Ashland.

Topic – Importance of research for career in R & D – Industry perspective

Ms. Teeja Suthar

Ph.D. Research Scholar, NIPER Lucknow & Alumnus, VES COP

Topic – Importance of research for career in R & D – Research scholar perspective

CONVENER

Dr. Supriya Shidhaye
Principal
VES College of Pharmacy

PATRON

Shri. B. L. Boolani
Trustee In charge
VES College of Pharmacy

E – Certificates will be
provided to all registered
participants.

CO-ORDINATORS

Faculty coordinators:
Dr. Rajashree Hirlekar
H.O.D., Pharmaceutics & IQAC Coordinator

Dr. Mushtaque Shaikh
H.O.D., Pharmaceutical chemistry

Dr. Anita Ayre
H.O.D., Quality Assurance

Contact Persons:
Ms. Palak Karia; 9619613098
Mr. Samarth Rangnekar; 9619635264

On

RESEARCH OPPORTUNITIES FOR PHARMACY GRADUATES

Date: 7th August, 2021

Time: 11.00 a.m. to 12.30 p.m.

Minute-to-minute schedule

Time	Particulars
11.00 a.m. to 11.02 a.m.	Welcome to the guests & participants
11.02 a.m. to 11.12 a.m.	Address by Principal, Dr. Supriya Shidhaye
11.12 a.m. to 11.22 a.m.	Address by Trustee In charge, Shri B. L. Boolani
Session 1	
11.22 a.m. to 11.50 a.m.	'Getting started with research – A primer for Academia' Prof. Mangal Nagarsenkar Research advisor, VES College of Pharmacy
Session 2	
11.50 a.m. to 12.05 p.m.	'Importance of research for career in R & D – Industry perspective' Dr. Pankaj Pathak Senior Sales Manager, Ashland
Session 3	
12.05 p.m. to 12.20 p.m.	'Importance of research for career in R & D – Research scholar perspective' Ms. Teeja Suthar Ph.D. Research scholar, NIPER – Raebareli & Alumnus, VES College of Pharmacy
12.20 p.m. to 12.28 p.m.	Virtual tour of Research facilities at VES College of Pharmacy
12.28 p.m. to 12.30 p.m.	Vote of thanks & Group photo

Report on Webinar on 'RESEARCH OPPORTUNITIES FOR PHARMACY GRADUATES'

Good morning one and all

On behalf of VES College of Pharmacy, I Amrita Bedi, welcome you all to this webinar on 'Research opportunities for Pharma Graduates'. I extend my welcome to our esteemed guests, Prof. Mangal Nagarsenkar, Research advisor of VES College of Pharmacy, Dr. Pankaj Pathak, Senior Sales Manager at Ashland, Ms. Teeja Suthar, PhD research scholar at NIPER, Raebareli & an alumnus of VES College of Pharmacy and I also extend my welcome to our trustee in charge, Shri B. L. Boolaniji, respected Principal madam, Dr. Supriya Shidhaye, all faculty members of VES College of pharmacy, students and last but not the least to all the participants.

I feel privileged to introduce Dr. (Mrs.) Supriya Shidhaye, Principal of VES College of Pharmacy on this occasion. Madam is a chairperson of Board of studies, University of Mumbai. She has over 28 years of teaching and Research experience. With her vast experience in Research and academics, she has always guided and enlightened us. She is a lady who believes to lead by her own example. She has received a total research Grant of Rupees. 1 crore 5 lakhs, 98000 from various government bodies and Pharmaceutical companies till the date. She has many national and International publications and presentations to her credit. She is also a certified yoga teacher. In this COVID era, we are constantly moving ahead and trying to adapt and evolve under her superb guidance and constant motivation.

It's said that Research is seeing what everybody else has seen and thinking what nobody else has thought. We have all gathered on this forum to discuss on the key aspects and skill sets needed to drive research with the right aptitude in the areas of pharmacy

With this brief note I now request our principal madam to address the audience with her welcome note.

Thank you madam for highlighting the key research attributes needed for graduate students to pursue a career in pharmacy and for your motivational words as always

We now begin with the first session for the day

It's an honour and privilege to have amongst us Prof. mangal Nagarsenkar madam as the keynote speaker for the day. Prof. Nagarsenkar madam is a stalwart in the area of R & D, a teacher and researcher par excellence. Madam is currently an emeritus professor with Bombay College of Pharmacy and she is also associated with VES College of Pharmacy as a research advisor. Madam has completed her B Pharm, M. Pharm & PHD from University of Mumbai and she was a IDMA gold medalist. She is the recipient of a number of awards like Amrrit Mody Research Fund- Distinguished researcher award in 2021, APTI award for the Best researcher in 2013, She is on the advisory board of a number of prestigious journals like IJPS, Drug delivery letters and bentham publications. She has reviewed a number of articles

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

in national and international journals She has authored more than 100 research articles in national and international publications. She has a number of patents to her credit of which 3 have been granted including Indian patents and trademarks. Her group has also applied for a PCT patent. Madam is a renowned speaker and she has delivered a number of talks in national and international forums as an invited speaker. She has more than 35 years of research experienced. She has guided more than 45 M. Pharm and 30 PhD students. Her key research areas include design and formulation of novel systems like targeted liposomes, lipid based delivery systems, cyclodextrin based delivery, gene delivery and her research group has reported design and utility of nanosystems like Gelupearl and Lesiplex. She has research collaborations with foreign universities like University of Gena, Germany, Indian Medical college, Actrec, IICT Hyderabad, CDRI. Recently she is working on an international collaborative industrial project with Gansen, Germany, University of Strathclyde, UK and we are proud to say that our college along with BCP is also associated with this project collaboration. Madam's research has been funded by premier organizations in our country like DBT, ICMR, UGC, Lady Tata Memorial fund and she has also completed many projects for the pharmaceutical industries. She is also a member of many professional bodies like SPDS, CRS, IPA and APTI. It is indeed a privilege for us to have madam with us as a mentor and advisor for all our research groups.

I now request Professor Nagarsenkar madam to address the Audience on the topic 'Getting started with research – a primer for academia'

I also request the audience to post their questions in the chat box during the session.

Thank you madam for your thought provoking and insightful session. I am sure that your guidance on 'How to take that first step towards research and how to develop a protocol' has encouraged the young graduate students and has boosted their confidence to pursue Masters in research areas.

The forum is now open for discussion and we have a question from _____, _____

Thank you mam

We now move on to the second session for the Day

Its indeed a pleasure for us to have amongst us a young researcher and an experienced industry person, Dr. Pankaj Pathak

Dr. Pankaj pursued his doctoral studies in Pharmaceutical Technology from **Bombay College of Pharmacy**, Mumbai University under the mentorship of **Dr. (Mrs.) Mangal Nagarsenker**.

Dr. (Mrs.) Supriya S. Shidhaye
PRINCIPAL
Vivekanand Education Society's
College of Pharmacy
HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

Presently, he is working with Ashland India Pvt. Ltd as **Senior Business Development Manager-South Asia** for Pharmaceutical Excipients and Nutraceuticals

During his doctoral studies, Dr. Pathak was **Visiting Research Fellow at Friedrich Schiller University of Jena, Germany** for a Short-term research program on advances in skin targeting under the guidance of Prof. Alfred Fahr.

He possesses 10+ years industrial experience in the field of Pharmaceutical Technology working in the role of business development & formulation development. As a formulator he has worked on parenteral novel drug delivery systems such as long circulating liposomes, nanoparticles, microspheres, sustained release depot injection and biodegradable polymeric implants.

He has worked with companies including Lubrizol, Cipla, Panacea Biotech, Reliance LifeSciences and Rubicon.

His research interests and technology expertise include:

- Lipid drug delivery systems including Liposomes, Solid Lipid Nanoparticles (SLN) and Nano-Structured Lipid Carriers (NLC)
- Polymeric biodegradable long acting parenteral depot formulations for peptide and hormone delivery including microspheres and implants.
- Nano-milling for development of parenteral sustained release particulate formulations.

With this brief introduction, I request Dr. Pankaj Pathak to address the audience on the topic 'Importance of research for career in R & D – Industry perspective

Thank you Sir for giving us an insight of career opportunities and prospects for R & D professionals in the pharma industry and especially the potential growth of our nation in the pharma R & D sector. With the information 7 examples shared by an experienced industry person like you, I am sure that the morale of our graduate students has been uplifted and they will be keen to pursue a career in pharma R & D after Masters or PhD.

Dear participants, the research centre of VES College of Pharmacy began its journey in the year 2011, when we received the approval of University of Mumbai to start our Masters Program in the branch of Pharmaceutics and Quality Assurance, since then there was no looking back and today on the research front we have total 5 approved programs – M. Pharm Pharmaceutics, m. Pharm Quality Assurance, M Pharm, Pharmaceutical Chemistry, PhD in Pharmaceutics & PhD in Pharmaceutical Chemistry. Now I request Dr. Anita Ayre, HoD, Dept. of Quality Assurance to take you through the research journey of VESCOP in terms of our milestones, awards & achievements. Over to you madam

Thank you madam. That was indeed a nostalgic moment and a proud feeling to witness the growth of our institute and as rightly said by you, this is just the beginning

Dr. (Mrs.) Supriya S. Shidhaye
PRINCIPAL

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

We now move on to our third session for the day

Our speaker for this session is our alumnus, Teeja Suthar,

- Ms. Teeja did her Bachelor of Pharmacy and Masters of Pharmacy from Vivekanand Education Society's College of Pharmacy (Affiliated to University of Mumbai). Currently she is pursuing Ph.D. in Pharmaceutics from National Institute of Pharmaceutical Education and Research, Raebareli.

Her research interests include Formulation & Development, Research & Development, Analytical method development & validation

She has two patents to her credit till date -

Patent application no. 201821017013: Pulsatile Drug Delivery System for Treatment of Pulmonary Hypertension and Patent application no. 202111007897: Composition of Micro-/Nano-Sized Emulsions Containing Flavonoids and Methods of Preparation Thereof

Teeja is a young, dynamic, hard-working and dedicated researcher and I am sure you will feel more connected to her as she will be deliberating on the topic. With this brief introduction, I request Teeja to address the audience on the topic Importance of research for career in R & D – Research scholar perspective

Thank you Teeja for sharing your experiences associated with VESCOP both in terms of academics & research. It is glad to know your Alma mater has laid the foundation for you to pursue your career path in R & D.

Dear participants, with this we come to the end of our sessions for the day

I now request our IQAC coordinator and HoD, Dept of Pharmaceutics, Prof. Rajashree Hirlekar madam to propose the vote of thanks.

Thank you madam

With this we conclude today's event

Before leaving I would like to make a few Announcements for our participants

1. Link for the feedback form is shared in the chat box .All the participants are requested to fill the feedback form.E-certificates will be issued to all participants after the submission of feedback form.
2. We have two upcoming webinars: First one is tomorrow for and second one is on 9th August
3. Do subscribe to our college youtube channel – 'VES college Of Pharmacy' and stay connected with VESCOP through our social media platforms to get information on our upcoming events and activities.

Thank you for your kind attention and patience. Have a great day ahead!

VIVEKANAND EDUCATION SOCIETY'S COLLEGE OF PHARMACY brings to you a webinar on 'RESEARCH OPPORTUNITIES FOR PHARMACY GRADUATES'

◆ The details for the event are:

📅: Saturday, 7th August, 2021

🕒: 11 am to 12.30 pm

🖥️: Zoom / YouTube

✉️ Registration link:

<https://forms.gle/g1Gh1Mg7HhpP7oVh7>

◆ Resource persons:

1. Prof. Mangal Nagarsenkar

Research Advisor, V.E.S. College of Pharmacy.

Topic - Getting started with research - A primer for B. Pharm graduates

2. Dr. Pankaj Pathak

Senior Sales Manager, Ashland.

Topic – Importance of research for career in R & D – Industry perspective

3. Ms. Teeja Suthar

Ph.D. Research Scholar, NIPER Lucknow & Alumna, VESOP

Topic – Importance of research for career in R & D – Research scholar perspective

◆ Key Highlights:

- ◆ Learn skill sets and aptitude needed to pursue research after graduation
- ◆ Insights on research and innovation from academia as well as industry perspective
- ◆ Ask the Experts - Live doubt solving session
- ◆ No registration fee

😊 Who Should Attend? 😊

All aspiring students who wish to enter the research field.

✂️ E- certificates will be provided to all the registered participants ✂️

Looking forward to interacting with the students and guiding them through this crucial phase of their career.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

Good afternoon to one and all

On behalf of VES College of Pharmacy, I welcome you all to our second webinar in the ResearchConnect series, "Multidisciplinary Research in Academics - Need of the Hour" organized by VES College of Pharmacy. I welcome our Respected principal Dr. Supriya Shidhaye ma'am and our speaker for the first session, Dr. Mayank Patel and I also extend my welcome to the faculty members of VES College of pharmacy, students and the participants.

I feel privileged to introduce Dr. (Mrs.) Supriya Shidhaye, Principal of VES College of Pharmacy on this occasion. Madam is the chairperson of Board of studies, University of Mumbai and has about 30 years of teaching and Research experience. She has received total research Grant of 1 crore 27 lakhs rupees for projects from various government bodies and Pharmaceutical industries till date. She has a total of 56 national and International publications to her credit. She has filed 4 patents till date. She has guided 37 M. Pharm and 2 PhD students till date and at present she is guiding 5 M Pharm & 4 PhD students. She has delivered talks as an invited speaker on various national and international forums. She is also a certified yoga teacher. We are indeed proud to seek guidance and constant motivation from madam.

It is said that Research is seeing what everybody else has seen and thinking what nobody else has thought. We have all gathered on this forum to discuss the key aspects and skillsets needed to drive research with the right aptitude in the areas of pharmacy

With this brief note I now request our principal madam to address the audience with her welcome note.

Thank you madam for highlighting the key research attributes needed for graduate students to pursue a career in pharmacy and for your motivational words as always

Before we begin with the session, we encourage you to please post your questions in the chatbox. These questions will be answered at the end of the session.

Dr. Mayank Patel - Multidisciplinary Research - Challenges and Opportunities

I would like to introduce the first resource person for today.

It is an honour and privilege to have amongst us, Dr. Mayank Patel.

He is currently a Postdoctoral Research Associate at University of the Sciences in Philadelphia, USA has a total 4.5 years of industrial experience with companies including Novartis and Alkem Laboratories Ltd. Dr. Mayank Patel has completed his Ph.D. in pharmaceutics from ICT in Feb 2020 and has 5 publications to his credit. He was awarded DBT-CTEP travel grant to attend and present a poster at CRS annual meeting 2017 in Boston, USA. He was selected for Newton-Bhabha PhD Placement program in 2016, jointly funded by DST and British council and attended European School on Nanoscience and Nanotechnologies 2015 jointly organized by University Joseph Fourier (UJF) and Grenoble National Polytechnic Institute a program funded by CEFIPRA, the Indo-French Centre for promotion of advanced research. In 2014, he was selected among the top 50 students across India to attend Novartis Biotechnology Leadership Camp organised by Novartis. He was a gold medalist in MU during his M pharm in 2010 and bronze medallist during his B pharm in 2008.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

I now request Dr. Mayank Patel Sir to take over the session for his talk on 'Multidisciplinary Research - Challenges and Opportunities'

(Dr. Mayank will conduct the session)

Thank you sir for that insightful session, for further broadening our vision in the field of research and encouraging us to look at research problem from a multidisciplinary perspective.

The forum is now open for Q & A session and we will be addressing the questions that the participants have asked in the chat box.

(Questions)

Thank You Sir.

Before we begin with our second session, , Dear participants, I once again would like to announce that you are encouraged to please post your questions in the chatbox and these questions will be answered at the end of the session.

Mrs. Maharukh Rustomjee-'Translational Research - Paving the Path for Employability'

Now I would like to introduce the second resource person for today.

We are blessed today with the presence of an esteemed personality, Mrs. Maharukh Rustomjee.

She is the Founder and Managing Partner of Amaterasu Lifesciences LLP, incorporated in December 2016. She has a work experience spanning 35 years as a technocrat and entrepreneur with core competency in formulations research and drug delivery system innovations, phytochemical based healthcare products, intellectual property, manufacturing, regulatory sciences and drug delivery business covering all geographic territories.

Earlier for 17 years (from 1999 to 2016) she was Co-founder, Promoter Director and Chief Operating Officer at Rubicon Research Pvt Ltd, India's pioneering and leading contract research and drug delivery company. She was instrumental in nurturing and building the business from scratch to a valuation in excess of USD 30 million (Rs 200 Crores) till she exited the company in December 2016 prior to founding Amaterasu Lifesciences LLP.

Amaterasu - a "startup India" recognized company, is a research company endeavoring to build value by developing personnel care, health and wellness as well as pharmaceutical products with a focus on providing solutions for unmet consumer and patient needs.

Prior to starting her entrepreneurial journey, she worked for 15 years in Novartis, GSK and other pharmaceutical companies in research and development, scale-up and technology transfer in various types of dosage forms such as orals, liquids, topicals, injectables and many others.

I now request Mrs. Maharukh madam to take over the session for her talk on "Translational Research - Paving the Path for Employability"

(Mrs. Maharukh will conduct the session)

 Dr. (Mrs.) Supriya S. Shidhaye

 HAMC, Behind Collector Colony,
 Chembur, Mumbai - 400 074.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

Thank you madam for your insightful session. The participants have not only gained knowledge but also gained inspiration from your session and we can be sure that you have encouraged the young participants and have boosted their confidence to develop research skills necessary for them to be job-ready.

The forum is now open for Q & A session and we have a question from _____, _____

(Questions)

Thank you madam

Vote of thanks

Before we conclude today's webinar I would like to invite Dr. Mushtaque Shaikh, Head and Associate professor, Department of Pharmaceutical Chemistry to propose a vote of thanks.

(Dr. Mushtaque will propose the vote of thanks)

Thank you sir.

A few Announcements:

1. The link for the feedback form is shared in the chat box. All the participants are requested to fill the feedback form. E-certificates will be issued to all participants after the submission of feedback form.
2. We have an upcoming webinar on 'How to select research topic with social relevance' Stay connected to us through our social media handles for details about the same.
3. Do subscribe to our college youtube channel – 'VES college Of Pharmacy' and stay connected with VES COP through our social media handles to get information on our upcoming events and activities

With this we now conclude the session. Thank you everyone for joining. Stay safe and stay healthy. Thank you.

VES COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Behind Collector Colony, Chembur (E), Mumbai - 400 074

Good afternoon to one and all

On behalf of VES College of Pharmacy, I, Ms. Janvi Madhavi, welcome you all to our third webinar in the ResearchConnect series, "Science, Innovation & Social impact- Working on a Research Problem" organized by VES College of Pharmacy. I welcome our Respected principal Dr. Supriya Shidhaye ma'am and our speaker for the session, Mrs. Ruchi Singh and I also extend my welcome to the faculty members of VES College of pharmacy, students and the participants.

The vision of VES College of Pharmacy is to create competent Pharmacist professionals who can have +ve impact on the healthcare of the society, with this vision we always strive hard to provide an academically conducive & research-oriented learning environment. Today's webinar is another step towards giving the right guidance to research aspirants just when they are about to begin their research journey.

With this brief note, I feel privileged to introduce Dr. (Mrs.) Supriya Shidhaye, Principal of VES College of Pharmacy on this occasion. Madam is the chairperson of Board of studies, University of Mumbai and has about 30 years of teaching and Research experience. She has received total research Grant of 1 crore 27 lakhs rupees for projects from various government bodies and pharmaceutical industries till date. She has a total of 56 national and international publications to her credit. She has filed 4 patents till date. She has guided 37 M. Investor Awareness Program for Teaching & Non-teaching staff on 28.01.2021 (11am)

16 messages

Pratik Barve <pratik.barve@ves.ac.in>

Mon, Jan 18, 2021 at 3:01 PM

To: Vescop <vescop_educationists@ves.ac.in>, Milind Ghadi <milind.ghadi@ves.ac.in>
 Cc: Supriya Shidhaye <supriya.shidhaye@ves.ac.in>, Swati Mittal <swati.mittal@ves.ac.in>

Hello All,

We have organized an Investor Awareness Program (Financial Literacy) for all the teaching and non-teaching staff of VESCOP on 28th January 2021, Thursday: 11 am to 12 noon.

The Speaker for the session is Prof. Amogh Gothoskar. He is an eminent personality and is very generous to share his valuable knowledge with us all. He had previously visited us in 2019 to give a similar session to students.

This session is being conducted in collaboration with the Bombay Stock Exchange (BSE)

The session will be extremely useful for you all in terms of financial planning in life.

All Teaching & Non-teaching are supposed to attend this session and take full advantage of it. Pls click on the below mentioned link and do your registration. This registration is mandatory.

Register in advance for this meeting:
<https://forms.gle/LGt2854hCxmRkrv6>

On registering, you will receive a confirmation email containing information about joining the meeting.

Requesting milind sir to send the invite to all non-teaching staff and ensure they register by clicking the above link.

All VESCOP teachers are requested to register and attend the same.

If you have lectures in that slot, pls reschedule to some other day. And keep this slot free for you to attend.

Regards,

Mr. Pratik Barve

Assistant Professor

Vivekanand Education Society's College of Pharmacy

Hashu Advani Memorial Complex, Behind Collector Colony,

Chembur (E) Mumbai 400 074

Subject: Guest lecture on "Content writing for getting research grants"

Dear Dr. Kanyalkar,

We are pleased to invite you for a guest lecture on "Content writing for getting research grants" to be scheduled on 13th September, 2017 at 2 pm at Vivekanand Education Society's College of Pharmacy.

It is an honor and privilege to invite you to as a Speaker for this session. We believe that your contribution to the field of science is unparalleled and a lecture on this topic will be of great benefit for our teaching staff.

We look forward to a positive confirmation

Regards,

Supriya Shidhaye

HR Summit 2016

10/11/2016

With the intention of creating B. Pharm and M. Pharm graduates having industry readiness and employability skills, HR summit is organized at VES College of Pharmacy. HR department representatives will be participating in this summit and share their ideas for effective training of pharmacy student. This initiative will help us in achieving our vision of creating competent pharmacy professional to positively impact healthcare of society.

The meet is scheduled at Board room, second floor, VESCOP, on Saturday, 19th November 2016 between 11.00 am to 1.00 pm

The agenda for the meet is as follows:

- Challenges in recruitment
- Opportunities for pharmacy graduates
- Expectations from Industry
- Suggestions for better Industry Institute Interaction
- Any other relevant matter

All the teaching staff members are invited to attend the same.

HR summit 2016-17

Minutes of Meeting

HR summit 2016 was organized on 19th Nov 2016. Following Resource persons from industry participated in the meet.

1. Mr. Rakesh More, Assistant Manager, Field HR, Virchow Laboratories Ltd.
2. Dr. Amit Antarkar, Site Head, R and D, Actavis, Watson Pharma Pvt Ltd.
3. Ms. Amruta Rewale Chavan, HR Manager, Adroit Biomed Ltd.

Founder trustee Shri. B. I. Boolaniji and co-ordinator Prof. Jharna Das were invited for the meet. All the faculty members along with M.Pharm Research students attended the meet.

Principal Dr. S.S. Shidhaye introduced the Resource persons to the participants and requested Shri. Boolaniji to give the opening remarks. Shri. Boolaniji mentioned that it is the responsibility of the teachers to pay attention so as to make learners employable and industry ready.

The session was interactive between the resource persons and the audience. Following were the key points discussed. M. Pharm student asked about how to proceed with job application when no industrial contacts are available. Mr. More told the career option in the organization's website can be visited. He also informed about mega job fair advertised in TOI. Dr. Amit Antarkar said TPO should have good interaction with industries. The student should prepare good profile on linked in as the professionals access this site to get information about candidates.

Placement department should prepare list of companies and approach HR. Probability of placement are high if good contacts are established with industry. The activity should start in the month June. Brochure containing profile of Institute and students should be sent to industries along with college report. Shri Boolaniji suggested that student's profile can be put on web site and shared with corporates. Mr. More explained that except Regulatory affairs other job opportunities are available outside the city and students should be prepared to move out. Opportunities are available in various segments like R & D, QC, Marketing, Sales, pharmacy and teaching. Mr. More also asked whether students will look out for job profile of their interest or CTC (Cost of company). Students replied that they will prefer their expected job profile. Mr. More said that students should be open to get trained to get sufficient knowledge and understand their specific area of interest.

Dr. Amit Antarkar explained that at the time of interview only percentage and general knowledge of student is shared with organization. So company may not offer high annual package but after taking into consideration the performance over a time period, increments are offered. He shared his experience about vacancy in product management team. The students were ready to join only after knowing the salary. He also said that many times students are not interested in training and knowledge. He said that they should first have good experience and then they will be offered with higher salaries. He said that companies offer 1.5-2.0 lakhs as start for product executives. There are lots of opportunities in sales segment and students get good exposure provided they are ready to work hard. He shared that average salary in product development department after a year of experience can be 4-5 lakhs. He said that opportunities are available in R & D for generic and branded medicines.

Normally in an organization budget is prepared at the beginning of the F.Y. hence high increments cannot be given. When you spend about approximately one and half year in industry your actual pay structure is decided in annual meeting and an average increment of 9-15% is given. In case of exceptional performance it may rise to 20%. Lot of emphasis is given on appraisal management.

budgeting and comparison of increment with profit generated. Dr. Amit Antarkar told that in order for your students to be more employable, invite professionals from industry to share their practical experience in the form of case studies and latest trends in industry. Students should be made aware of documentation, regulatory requirements, emphasizing on QbD. Faculty should undergo training in industrial organizations.

Mr. Rakesh More shared his information that Indian Pharma industry was having turnover of 6 billion USD in year 2000 & is expected to rise to 50 billion USD by the end of the year 2020. Indian pharma industry is one of the top 5 industries worldwide. GOI is also supportive and has launched Pharma vision 2020. He also elaborated on marketing segment. Brand of a particular product is built which has a good growth in potential domestic market. Candidates are trained for about 2-3 years for such challenges so as to become successful product manager. He shared the information that 50-60% of marketing heads are not MBA, so if the graduates undergo training in industry they can have status similar to MBA. Thus marketing segment has better opportunities.

Ms. Amruta Chavan told that students should have conceptual clarity in order to be selected during interview. Ms. Pradnya Shinde inquired about other traits expected from candidates. Ms. Amruta Chavan said that candidates should know about the organization's profile, their products and job profile. In case, the candidate does not have information he/she should clearly mention it instead of giving wrong answers. Ms. Pradnya Shinde asked about strength and weaknesses to be shared by the candidates to interviewer. Mr. Rakesh More said that as a human being everybody has weaknesses and it should be put forth in positive manner during interview if asked. Dr. Supriya Shidhaye also shared that positive attitude, dedication, commitment, dynamism and readiness to work in team gives positive impact about the candidate.

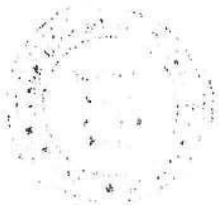

Dr. Amit Antarkar said that training of students should start right from S.Y.B. Pharm itself. Shri Boolaniji suggested that students should undergo rehearsal of interview.

MEMORANDUM OF UNDERSTANDING

Between

THE IPA-MSB's BOMBAY COLLEGE OF PHARMACY-AUTONOMOUS

Kalina, Santacruz-E, Mumbai 400098

AND

VIVEKANAND EDUCATION SOCIETY'S COLLEGE OF PHARMACY

Hashu Advani Memorial Complex, Chembur (E), Mumbai 400074

ON

RESEARCH COLLABORATION

This Memorandum of Understanding (MOU) is made between **The IPA-MSB's Bombay College of Pharmacy-Autonomous** and **Vivekanand Education Society's College of Pharmacy**, are each an 'Institute' and together are referred to as the "Institutes".

PURPOSE

The purpose of this MOU is to state the intentions of the parties in undertaking collaboration in the research under the aegis of research project entitled "**Simplified Liposome Manufacturing**" sponsored

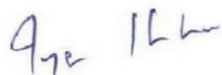

by **Janssen Pharmaceutical, Belgium**. Under this research grant, there are two Junior Research Fellows working at The IPA-MSB's Bombay College of Pharmacy-Autonomous and one Junior Research Fellow at VES College of Pharmacy. The Institutes have common scientific and research interests and will cooperate in performing the research work together.

The scope of collaboration on research activities to be pursued through this MOU includes sharing of research facilities between the two institutes to carry out the research work efficiently and help to abide by the research timelines. The research fellows shall use the facilities at both the institutes to complete the assigned project. Research fellows will utilize the facility under prior permission /consultation with the concerned faculty in charge of the facility at the institutes and ensuring no inconvenience to the academic and research activities of the institutes.

This MOU is effective from the date when both parties will sign it and shall remain in force till the completion of project tentatively till October 2023.

The Parties to this Memorandum of Understanding hereby confirm their agreement to its terms by the following signatures:

PHARMANEST 2020

The theme of the International Conference is "Shaping the future of Pharma Industry: New Era Innovation in Biotechnology, Pharmaceutical Sciences and Biosciences" with focused objective to provide opportunity to showcase and enhance scientific developments, discoveries, industry growth as well as to promote the highest standards of Pharmaceutical Industry practices and challenges for Pharma Academics.

The program would equip and establish a strong corporation & linkage between the industry-academia professionals around the world.

The Speakers

- Mr Myo Myo Min, Myanmar
- Mr Banoth Venkateswarlu, Director General of Health Services, CDSCO, Mumbai
- Prof. Shrikaant Kulkarni, Professor, VIT, Pune

Guest of Honour

- Dr Anthony Melvin Crasto
Principal Scientist, Glenmark Pharmaceuticals
Mumbai

ABOUT VESCOP

- The VES College of Pharmacy was started in July 2007, in a seven storied separate building in Hashu Advani Memorial Complex, Chembur, Mumbai. The vision of VESCOP is to create competent pharmacy professionals to positively impact health care of the society.
 - VESCOP is on 67th rank of the All India Ranking of Pharmacy institutes (NIRF)-2019, declared by ministry of HRD, Government of India.
 - VESCOP was ranked the 1st place in the best Industry linked institute survey by AICTE and CII in 2018-19.
 - Currently VESCOP has Bachelors of Pharmacy (B.Pharm) program with intake of 100, a masters of Pharmacy (M.Pharm) in Pharmaceutics, Quality Assurance and Pharmaceutical Chemistry. It also has a PhD program in Pharmaceutics and Pharmaceutical Chemistry.
- All Programs are affiliated to **University of Mumbai**

Or (Mrs. Sushil Shrivastava)
UNIVERSITY OF MUMBAI
Vivekanand Education Society's
College of Pharmacy
HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074

What are Benefits of attending?

Scholars and Academicians/ Faculty Members/Professors

- The Delegates can attend the conference, access to the entire conference and Expositions which are knowledgeable with exciting sessions.
- Access to the great presentations made by the speakers (Subject to their endorsement).
- A conference certificate will be provided at the venue.

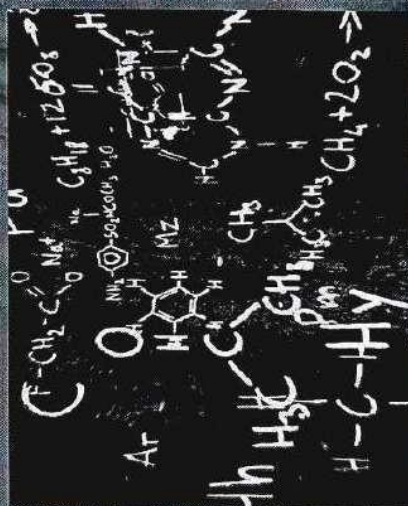

Industry Professionals

- The Delegates can attend the conference, access to the entire conference and Expositions which are knowledgeable with exciting sessions. Access to the great presentations made by the speakers (Subject to their endorsement).
- The company logo will be uploaded on the conference website along with the other participants and associated partner category.

- You will have access to the exhibition gallery and Visiting Hours

Dr. (Mrs.) Supriya S. Shidhaye
PRINCIPAL
Vivekananda Education Society's
College of Pharmacy
HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074.

Why Should You Attend?

- The professional and exhibitors attending the conference will share a great experience about them in the industry.
- You will have an opportunity to present your research and development work in front of other pharmaceutical industry experts.
- Networking with other professional and discussing new technologies and development for your professional growth.
- An opportunity to meet industry experts and influencers from leading pharmaceutical companies.
- Gain the knowledge and be an expert.
- Find new vendors and suppliers for your brand development.

Who are The Attendees?

- Pharma Industrialists
- Pharma Manufacturers
- Scientists Researchers
- Pharmacy Academicians
- Pharmaceuticals Associations/ Organizations
- Regulatory Affairs
- Students-B. Pharm, M. Pharm, B.Sc., M.Sc. (Biotechnology and Microbiology)

What all functions will participate?

- Analytical Development
- Process Development
- Technology transfer
- Regulatory Affairs
- Medical Affairs
- Clinical Trials
- Pharmacovigilance
- IPM (Intellectual Property Management)
- SCM (Supply Chain Management)
- QA (Quality Assurance)
- Qc (Quality Control)
- Packaging
- Production
- Manufacturing
- HR (Human Resources)
- BD (Business Development)
- Marketing and Sales

Salient Features and Academic Opportunities

For Faculty Members

- ▶ Session Speaker Talk
- ▶ Symposium Organizing
- ▶ Workshop Presenter
- ▶ Special Lecture
- ▶ Delegate Audience

For Organization

- ▶ Sponsorship Partnering
- ▶ Exhibition/Vendor
- ▶ Media and Advertising
- ▶ Branding & Promotion

For Students

- ▶ Poster Competition (Best Poster Award)
- ▶ Young Researcher Forum (Best YRF Award)
- ▶ Student Delegate

Business Opportunities for

Individual:

- ▶ Speaker presentation
- ▶ Symposium hosting
- ▶ Product Workshop
- ▶ Delegate participation

Call for Abstract Submission

Abstract Deadlines:-

The Scientific Service Committee (SSC) has great pleasure in inviting you to submit significant findings of original work for presentation in any of the following scientific sessions during the PharmaNEST.

- Pharmaceutical Technology, Medicinal Chemistry
- Pharmacognosy, Indigenous Drugs, Herbal formulations and Phytochemistry
- Pharmacology and Toxicology, Clinical Research & Pharmacovigilance, Biopharmaceutics, Pharmacokinetics and Drug Metabolism
- Pharmaceutical Analysis and Quality Assurance
- Biotechnology and Biotherapeutics Hospital, Community and Clinical Pharmacy, Pharmaceutical Education and Professional Pharmacy
- Drug Regulatory Affairs
- Pharmaceutical Management
- Pharma Economics

Abstracts will be accepted online upto 31st December, 2019. No other Form will be accepted.

Abstract Content:-

The Abstract of the proposed work to be presented should be prepared and properly pasted in the space provided according to the instructions given and submitted online on or before 31st December, 2019.

The abstract should be submitted only in the prescribed format. The model abstract is available for download on the website: <https://opf.org.in/>.

For submission of abstract please visit:

<https://opf.org.in/>.

NOVEL DRUG DELIVERY SYSTEM

About MakeIntern:

MakeIntern (Unit of Mohipuri Technologies Pvt Ltd) is an association which offers best training opportunities to the students as it has tie-ups with renowned colleges like IIM Calcutta and IIT Kharagpur. We have successfully conducted more than 1000 workshops in various colleges like Hindustan College of engineering & technology, IIT Delhi, IIIM Jaipur, IPE Hyderabad and so on.

Eligibility Criteria:

- Pharmacy Students
- Research scholars
- Professionals
- Any learner/Biochem Enthusiast

Content:

Day 1

1. Novel Drug Delivery Systems: History, current and future perspective
2. Nano-sciences & Nanotechnology – History and Perspective worldwide
3. Applications of nanotechnology in Novel Drug delivery

Practical Session: Preparation and Characterization of Metallic nanoparticles Chemical Method (Green Synthesis)

Day 2

1. Nano-materials – An Overview
2. Biological nanoparticles
3. Nano-medicines
4. Novel Drug delivery systems
5. Targeted Drug delivery: Drug delivery carriers

Practical Session: Preparation and Characterization of Metallic nanoparticles Chemical Method

Dr. (Mrs.) Supriya S. Shidhaye
PRINCIPAL

Vivekanand Education Society's
College of Pharmacy
HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074.

(Chemical Synthesis)

Day 3

1. Nano-devices, Nano-capsules, Nano-pills
2. Polymers in novel drug delivery system: Bio-polymers, Protein-Polymers, Polymernanocomposites

Practical Session: Preparation of Biopolymer Nanoparticles Green Synthesis

Day 4

1. Lipid based nanoparticles, Ceramic nanoparticles
2. Bio-MEMS

Exam and Evaluation

Practical Session: Drug Release evaluation assay

Day 5

1. Current Scenario of Nano Drug Delivery
2. Future Scope of Nano Drug Market and research

Presentation and final selection

Chemicals Required:

1. Silver nitrate (AgNO₃)
2. Acetic acid
3. Chloroauric acid (HAuCl₄)
4. Chitosan (deacetylated grade 85%)
5. Starch, Glucose, Sucrose or fructose
6. Sodium Hydroxide (NaOH)
7. Dialysis tubing (MW3500)

Instruments Required:

1. Water Bath
2. Magnetic Stirrer with Temperature controller
3. Magnetic beads
4. Autoclave
5. UV-Vis Spectroscopy Instrument
6. Glass Beaker, Glass bottles

**Academic Year
2018-19**

Summary report
Certificate course on Drug Regulatory Affairs
Conducted by
VES College of Pharmacy
In collaboration with
Institute of Pharmaceutical management

Academic Year: 2018-19

Date: 20th to 24th February, 2019

Objective:

To provide students with the comprehensive knowledge and skills in the fields of Regulatory Affairs. The course also aimed to provide the participants a thorough understanding of various regulatory agencies such as the US FDA, EMA, CDSCO; ICH guidelines and technical documents needed for submission to various regulatory bodies.

Methodology:

The course was delivered by experts from both pharmaceutical and biopharmaceutical industries through classroom instructions and PPTs. After every module, assessment was conducted through set of questionnaire or case studies.

Outcome:

After completion of the course, the students were equipped with a basic understanding of the following:

- Key quality aspects
- Universal format for dossier preparation
- Quality section of Drug master File Dossier

The course also enabled the participants to be prepared for various positions in the Pharma industry at the fresher level, some of which are:

- Formulation Development – Trainee, Officer, Analyst
- Quality Assurance/Quality Control Executive
- Quality Assurance Technicians or Analysts
- Quality Assistant
 - Regulatory Affairs- Trainee
 - Regulatory Affairs – Officer
 - Documentation Associate Officer

REGISTRATION FEE
Payment: Rs. 7,000/- for entire course
The course fee includes: Tuition fees, Course materials
Mode of payment: Cheque in favour of
"V.E.S. College of Pharmacy"

Who should attend
The certificate course is designed for Final Year B. Pharm/M. Pharm research students/PhD scholars/ faculty members and individuals who want to expand their knowledge on various aspects of Drug Regulatory Affairs in the pharmaceutical industry

Course structure
Duration: 5 days (20,21,22,23,24 February 2019)
Contact hours: 32

Course Contents

- ICH and its quality guidelines: Introduction to ICH and Quality guidelines Q1 to Q14
- RA profession and regulatory agencies like US, Europe, Japan, India
- ICH CTD format and Module 1,2,3,4 and 5
- Innovator and generic drugs
- DMF, Dossier: structure and contents
- Drug registration procedure of US: administrative & technical requirements, submissions to approval
- Visiting websites of regulatory agencies

Who should attend
The certificate course will enable participants to understand
✓ Key quality aspects
✓ Universal format (CTD) followed for dossier preparation
✓ Quality sections of Drug Master File /Dossier
✓ How drug products can be sold in the regulated markets
Lectures will be delivered by experts from pharmaceutical industry
The course will enable the participants to be prepared for various positions in the Pharma industry at the fresher level, some of which are:
✓ Formulation development- Trainee /Officer/ Analyst
✓ Quality Control- Trainee /Officer/ Analyst
✓ Quality Assurance-Trainee/ Officer
✓ Quality Associate
✓ Regulatory Affairs- Trainee Associate/ Officer
✓ Documentation assistant officer
✓ Marketing/Business development- Trainee /Officer

AGENDA

About Medical Devices: An article, instrument, apparatus or machine that is used in the prevention, diagnosis or treatment of illness or disease, or for detecting, measuring, restoring, correcting or modifying the structure or function of the body for some health purpose. Typically, the purpose of a medical device is not achieved by pharmacological, immunological or metabolic means

Day 1st:

- Introduction to Medical devices (History, development and needs)
- Innovative technologies in device development
- Hands on training - Emerging platforms for new devices (Design and Development of paper-based devices)

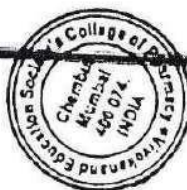

Day 2nd:

- Hands on training - (Detection and Development of basic biochemical assays (protein and glucose tests) and discussion on various detection approaches)
- Understanding the phases of medical device development (WHO and FDA guidelines)
- Real time strategic development of a Diagnostic device (any new technique)

Day 3rd:

- Strategic task for student groups ongoing Device development process - Conceptual task (to create ideas and visualizing the concepts from students)
- Barriers to Developing or adapting new technologies for global scale devices
- Key steps in product launch (validation and assessment) - protecting Intellectual Property Rights (Trademark)

PAGE: 15

Dr. (Mrs.) Supriya S. Shidhaye
PRINCIPAL
Vivekanand Education Society's
College of Engineering
HAMC, Behind Collector Colony,
Chembur, Mumbai 400 074

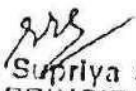

Day 4th:

- Multidisciplinary approach for successful device design and scale-up: Biology and engineering tangled (Intervened approaches), Overcoming the barriers of technology
- Building a successful diagnostic device start-up company by graduates and aiming to outperform the established ones.
- Synthesis of Gold nanoparticles for diagnostic platform (conventional and non-conventional methods) understanding the dynamics in detection (Plasmon, Scattering and Aggregation phenomenon)

Day 5th:

- Top 5 Medical technological innovations and their impact (Inspiring stories)
- Understanding and deciphering the FDA (Food and Drug Administration) rules and regulations (Device safety)
- Micro fluidic approach for reagent mixing using syringes and non-conventional way in lab and understanding of the device concepts and dynamics
- Developing and Delivering of a innovative solutions to the problems (Group tasks with a short project proposals to identify and how to address the issue)- Competition

Timings: 10AM-4 PM

"LET'S DO NBA ACCREDITATION"

ONE DAY SEMINAR

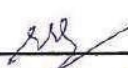

16th February, 2017

Assembling at the Venue 9.30 am -10:00 am

AGENDA

Time	Activity	Speaker
10:00 – 10:05 am	Inaugural Programme initiation	--
10:05 – 10:10 am	Welcome Address By Principal	Dr. Supriya Shidhaye
10:10 – 10:12 am	Felicitation Of Chief Guest By Chief Coordinator, VESCOP	Prof. Jharna Das
10:12 – 10:15 am	Address By Programme Coordinator VESCOP	Prof. Jharna Das
10:15 - 10:20 am	Felicitation of the Principals	--
10:20 – 10:30 am	Address By Chief Guest- President, APTI-MS	Dr. C. D. Upasani
10:30 – 11:30 am	Session 1: Bird's Eye View of NBA & Significance of OBE"	Dr. Supriya Shidhaye
11:30 – 13:00 pm	Session 2: All About SAR & Drafting of Vision, Mission, PEO, PO And CO	Dr. Rakesh Somani
13:00 – 14:00 pm	Lunch Break	--
14:00 – 15:00 pm	Session 3: Attainment of Co & Po	Mrs. Vidhi Bhatia
15:00 – 16:00 pm	Session 4: Teaching Learning techniques	Mrs. Ashwini Wani
16:00 – 17:00 pm	Session 5: Criteria Wise Q & A Session	VESCOP Staff
17:00 – 17:05 pm	Vote of Thanks	-
17:05 – 17:07 pm	National Anthem

Last date for registration: 12th August, 2020

This is a free add-on certificate course. **E-certificates** will be issued to participants who will complete all e-assessment forms within 3 days of completion of the course.

Online platform: Live YouTube streaming.

Link will be shared with registered participants.

Schedule for the course

Time: 2:00 pm to 6:00 pm

Topic	Speaker
Day 1: Thursday, 13 th August 2020	
Inauguration and Address by the Chief Guest	Dr. Pravin Digambar Chaudhari President APII (Central Committee), Professor & Principal, P.E.S. Modern College of Pharmacy
Keynote speaker	Dr. Anilkumar Gaadhi Consultant, Associate Professor and Research Advisor, VES College of Pharmacy
A virtual tour to sophisticated instruments for research	Mr. Anurag Dave Head of Division, analytical and Synthetic Chemistry, Aeston Phar India Pvt. Ltd.
Day 2: Friday, 14 th August 2020	
Module 1: Application of Synthetic chemistry in research	Dr. Urmila Joshi Principal, P.E.S. Modern College of Pharmacy
A Guidance for Post-graduate Research in Synthetic Chemistry Laboratory	Dr. Premilata Ambhe Associate Professor, Bombay College of Pharmacy
Module 2: Computer Aided Approaches	Dr. Mushtaq Shaikh HOD and Associate Professor, Vivekanand Education Society's College of Pharmacy
Computer Aided Methods in Pharmacy Research: Where to begin!	Dr. Anand Chitambar Assistant Professor, Vivekanand Education Society's College of Pharmacy
Discovery Studies for multidisciplinary research: A Demystification	
Day 3: Monday, 17 th August 2020	
Module 3: Insights into Formulation Development	Dr. Mrs. J Mangal Nagarsonkar Research Advisor, VES College of Pharmacy
Phospholipid based vesicular systems: Design and applications	Mr. Sudeep Kumar Director, Pacific Teos
Operation of Tablet compression Machine and significance of machine tooling	Mrs. Tejal Bedekar Senior Officer, Global Regulatory Affairs, Fusion Pharma India Pvt. Ltd.
An overview of Regulatory Affairs in research	

Dr. (Mrs.) **Sapriya S. Shidhaye**
PRINCIPAL
Vivekanand Education Society's

HAMC, Behind Collector Colony,
Chembur, Mumbai - 400 074

Schedule for the course

Time: 2:00 pm to 6:00 pm

Topic	Speaker
Day 4: Tuesday, 18 th August 2020	
Module 3: Insights into Formulation Development	
Formulation Development for oral solid dosage form	Mrs. Niral Shah Scientist (R&D), Escok India Pvt Ltd
Selection of Excipients for Oral solid dosage forms	Mr. Siddesh Juvekar Scientist, Enam Novorum
Preformulation Science	Mrs. Preeti Dali Founder/Owner, Inhaus Solutions
Day 5: Wednesday, 19 th August 2020	
Module 4: Analytical method development and validation	
Practical aspects of method development by UV-Vis spectrophotometry pertaining to assay and dissolution	Dr. Anita Ayre Associate Professor, VES College of Pharmacy
Standardization of herbal drugs	Ms. Seelha Singh Application Scientist, Anchrom Enterprises Pvt. Ltd.
Day 6: Thursday, 20 th August 2020	
Module 4: Analytical method development and validation	
Practical aspects of method development by HPLC	Dr. Anita Ayre Associate Professor, VES College of Pharmacy
In vitro assays: Metabolism based studies	Prof. Krishna Iyer Bombay College of Pharmacy
Day 7: Friday, 21 st August 2020	
Module 5: Pharmacological Evaluation	
Predictional Protocol Writing as per the CPCSEA Guidelines	Dr. Munal Ghog Head Scientific officer, Department of Zoology, Haffness Institute
Zebra Fish: Preclinical model for Pharmacological and toxicological screening	Dr. Kalidas Kulkarni Scientific Officer (I), Department of Biological Science, IIT
Valedictory function and Address by the Chief Guest on "Guidance and Insights into research endeavors at N.Pharm"	Dr. Anveshha Mejjambar Dean, Faculty of Science and Technology, University of Mumbai

Activity Report A.Y 2020-2021

POST GRADUATE DEPARTMENT

(Dept. of Pharm. Chemistry, Quality Assurance & Pharmaceutics)

IQAC ACTIVITY No: PG 01/2020-21

Details of activity:

Name of the Activity	National level webinar on "Induction Program for M. Pharm – Transition from a Graduate student to a Research Scholar"	Activity No.	01
Day, Date	13 th to 21 st August, 2021	Department/ Committee/Faculty	PG Dept. of Pharm. Chemistry, Quality Assurance & Pharmaceutics
Venue	Online via You Tube	Time	2.00 p.m. to 5.00 p.m.
Nature of activity	Indoor/Outdoor (Tick mark appropriate)	Total no. of participants	103

Activity Information:

Objectives	The objective of the program was to inculcate research aptitude in M. Pharm students who will be entering the research lab to carry out their project work. Additionally, it will also help the students to understand and adopt multidisciplinary approaches in order to do translational research work which will lead to innovation and will be at par with industrial standards and requirements.
Methodology	The course was conducted through online mode via You Tube channel. At the end of each day, participants were assessed for the modules taught on that day by taking e-assessment. Course completion certificate was issued only to those students who scored more than 60% in assessment of all 7 days
Outcomes	The students gained knowledge on how to use modern tools for various pharmaceutical applications, planning experimentation for analytical and formulation method development. The students also gained knowledge on how to apply the theoretical concepts in research for various pharmaceutical, analytical and pre-clinical applications
