Cancer is a disease so critical, that the only hope is stem cell therapy. Understanding this need of the hour, the **Marrow Donor Registry India (MDRI)** gave VES College of Pharmacy an opportunity to partner with them so that more people register as marrow donors, and subsequently more patients who desperately need access to stem cell transplant from a voluntary donor, have an access to it.

The college students were given a brief overview about the need and importance of Marrow Donation by the volunteers from MDRI. They went on to encourage students to register themselves as donors so that if there is requirement for marrow donation in the future, the volunteers can be further contacted.

The various health parameters of prospective marrow donors was checked, including weight, hemoglobin levels and history of any disease, if occurred. Subsequently, they were asked to donate a sample of their blood which could be used for the purpose of storing the DNA of the registered volunteers. This noble activity was carried out almost painlessly for those who registered.

The registered donors were also given donor cards after the completion of registration.

Teachers give in all their efforts to teach us every day, all we children can do is make them feel special on the day they deserve. **STUDENT COUNCIL** along with the **ROTARACT CLUB** organized a small event for the teachers on the occasion of **TEACHER'S DAY**.

We had collectively organized a discussion as well as few games for the teachers.

Then there was a Crossword arranged about the teachers with relevant hints and a word search to find names of the teachers. This game was to know how well our teachers know their other teacher friends around. There was also a Word Search of the names of all the teachers hidden among alphabets. It was heartening to see the teachers getting so involved in the games. Top 3 were declared winners based on speed and accuracy in solving both of the games, and were given chocolates as their prize.

After the games, our dear teachers were felicitated with a small memento which expressed our gratitude to them. The felicitation was done by the President of the Student Council and Rotaract Club. We then clicked a group photograph for memory's sake. In all it was a fun event and we are glad that the teachers enjoyed their time.

DATE	26 th December, 2018
TIME	5:30 p.m. to 7:30 p.m.

This is the time of the year where everyone comes as one and enjoys together. The warmth of togetherness and the smile on everyone's faces, looking forward to a new year, everyone is in a joyful mood. So that time of the year where everyone is in the festive mood, the Student Council arranged a **NEW YEAR AND CHRISTMAS PARTY** for all the students.

The event started with playing **Pictionary**, where teams were selected from each class. In a group of 3, where 1 person had to draw the word and the remaining 2 had to guess it. Next game was **Limbo**, where 1 person was selected from each class and was given 2 chances to go under the rope without touching it. Followed by the last game which was how well can you **Draw a Santa** with blind fold on. 2 groups were made, one of third year competing with last year, second of first year competing with second year.

That's not it, the council came up with a very unique idea of keeping a **stocking** outside where people could write messages or greetings for whoever they wanted to. Council made sure that the chits reached to the respected person. Also, there was a fun **Secret Santa** game played within the council for all the members, where every member picked up a chit of a person to whom they could gift anonymously.

There were songs played to which people loved dancing to, followed by a pizza and a pastry which was given to each student. It was a night to remember and everyone enjoyed a lot.
