VIGILANCE AWARENESS WEEK

ORGANIZED BY	VESCOP Student Council 2018-19
DATE	27 th October, 2018
TIME	2 p.m. to 4 p.m.
VENUE	Seminar Hall, VESCOP
ESTIMATED CROWD	30

Corruption is the use of unethical methods to get some advantage by others. It has become one of the big factors of obstructing the development of the individual and country. On occasion of Vigilance Awareness Week, the Students' Council of VESCOP along with the Union bank of India organized an anti-corruption campaign. This event was hosted by Anushka Rajesh from Final Year. It started off with a pledge against corruption, which was then followed by two activities: A Debate, the topic of which was "Can corruption be fought by enactment of laws alone?" and a Poster Making Competition based on Corruption and Swachh Bharat. IN the audience were students from the First Year, the participants and a few Council Members. The winners for Debate were Atreya Karandikar (TY) who received the First Position and Rushabh Sheregar (LY) who came in Second. Umang Ashar (SY) was awarded First Prize for Poster, Kishan Choudhary (TY) came in second, and Nikeeta Palande (TY) came in Third.

Corruption starts with the person itself, corruption is not only on money side but it is in various fields: corruption in thinking, political and professional, administrative and list goes on. We need to work on every field and the major source of transformation is Education, so start educating the child with ethics and morals involved. Fighting corruption is not just good governance. It is self-defence. It is patriotism.
