**Internal Assessment includes**

1. Mid Semester Examination
2. Attendance
3. Student teacher interaction
4. Evaluation of Lab performance for each experiment based on Rubrics
5. Student activity

**To ensure Internal Assessment is transparent.**

1. The time table is prepared and declared to students well minimum 20 days before the exam. Time table is made available to students in the form of notice and on the website. As a practice FY students of B Ph and M Ph are made aware about rules of examination through orientation programme.
2. As a policy, for CBCS syllabus 60-70% of the syllabus is considered for mid semester exam. However for Revised 2019 syllabus, first mid term examination includes 40% of the syllabus and remaining is considered for second mid term examination.
3. Every paper set is mapped with CO and reviewed by Module Coordinator/ HOD.
4. For mid semester examination, evaluation is carried out by the course coordinator and evaluated answer sheets are distributed with students and discussed with them to make them aware of the solution key and expected answers. Documentation is maintained by taking signatures of students.
5. The internal assessment evaluation is further discussed with parents during parent teachers meeting.
6. Consolidated data of Internal Assessment is further compiled and signed by students semester wise is maintained.
7. Through orientation programme students are oriented about attendance, student activities, Parameters of Rubrics and STI.
