ABOUT VES COLLEGE OF PHARMACY

The VES College of Pharmacy (VESCOP) was established in July 2007 under the visionary guidance of Trustee In-charge Shri B. L. Boolani. Located within the Hashu Advani Memorial Complex, the college spans an impressive 5051.82 square meters and has been dedicated to delivering top-quality education while fostering a stimulating academic environment.

VESCOP offers a variety of programs designed to equip students with the knowledge and skills essential for thriving in the dynamic pharmaceutical industry. The faculty comprises highly qualified and experienced professionals who are committed to delivering an exceptional educational experience. State-of-the-art facilities, including advanced laboratories and a comprehensive library, further enhance the learning process, enabling students to gain both theoretical and practical expertise.

Recognizing the significant gap between academic life and corporate expectations, the college took a pioneering step in 2015 by launching the Campus to Corporate Transition Programme (C2C). This unique initiative aims to prepare students for the challenges of corporate life, equipping them with a resilient mindset, strategic thinking, and adaptability to technological advancements. The program is divided into four impactful categories: Vidyanmanch – Facilitating interactions between students, academia, and industry professionals. Disha – Offering guidance on career opportunities post-graduation. Atmavikas – Focusing on soft skill development to enhance personal and professional competencies. Talkathon – Encouraging dialogues between students and alumni for practical insights.

These sessions are conducted consistently throughout the academic year, ensuring students are well-prepared for the professional world.

VESCOP also emphasizes holistic development by encouraging participation in research projects, internships, and extracurricular activities. By fostering a supportive and inclusive environment, the college ensures students feel empowered to express themselves freely. Opportunities in sports, cultural programs, and social events further enrich campus life, helping students develop into well-rounded individuals with strong personal and professional identities.

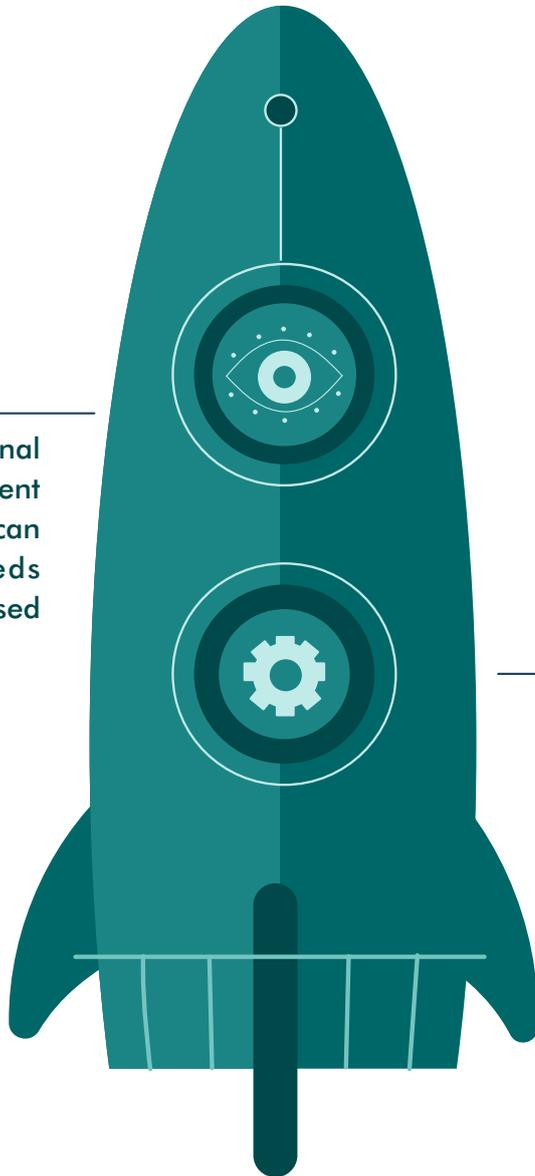

COURSES OFFERED

OUR VISION & MISSION

VISION

To become a premier educational institution that creates competent pharmacy professionals who can contribute to societal needs through research and value-based services.

MISSION

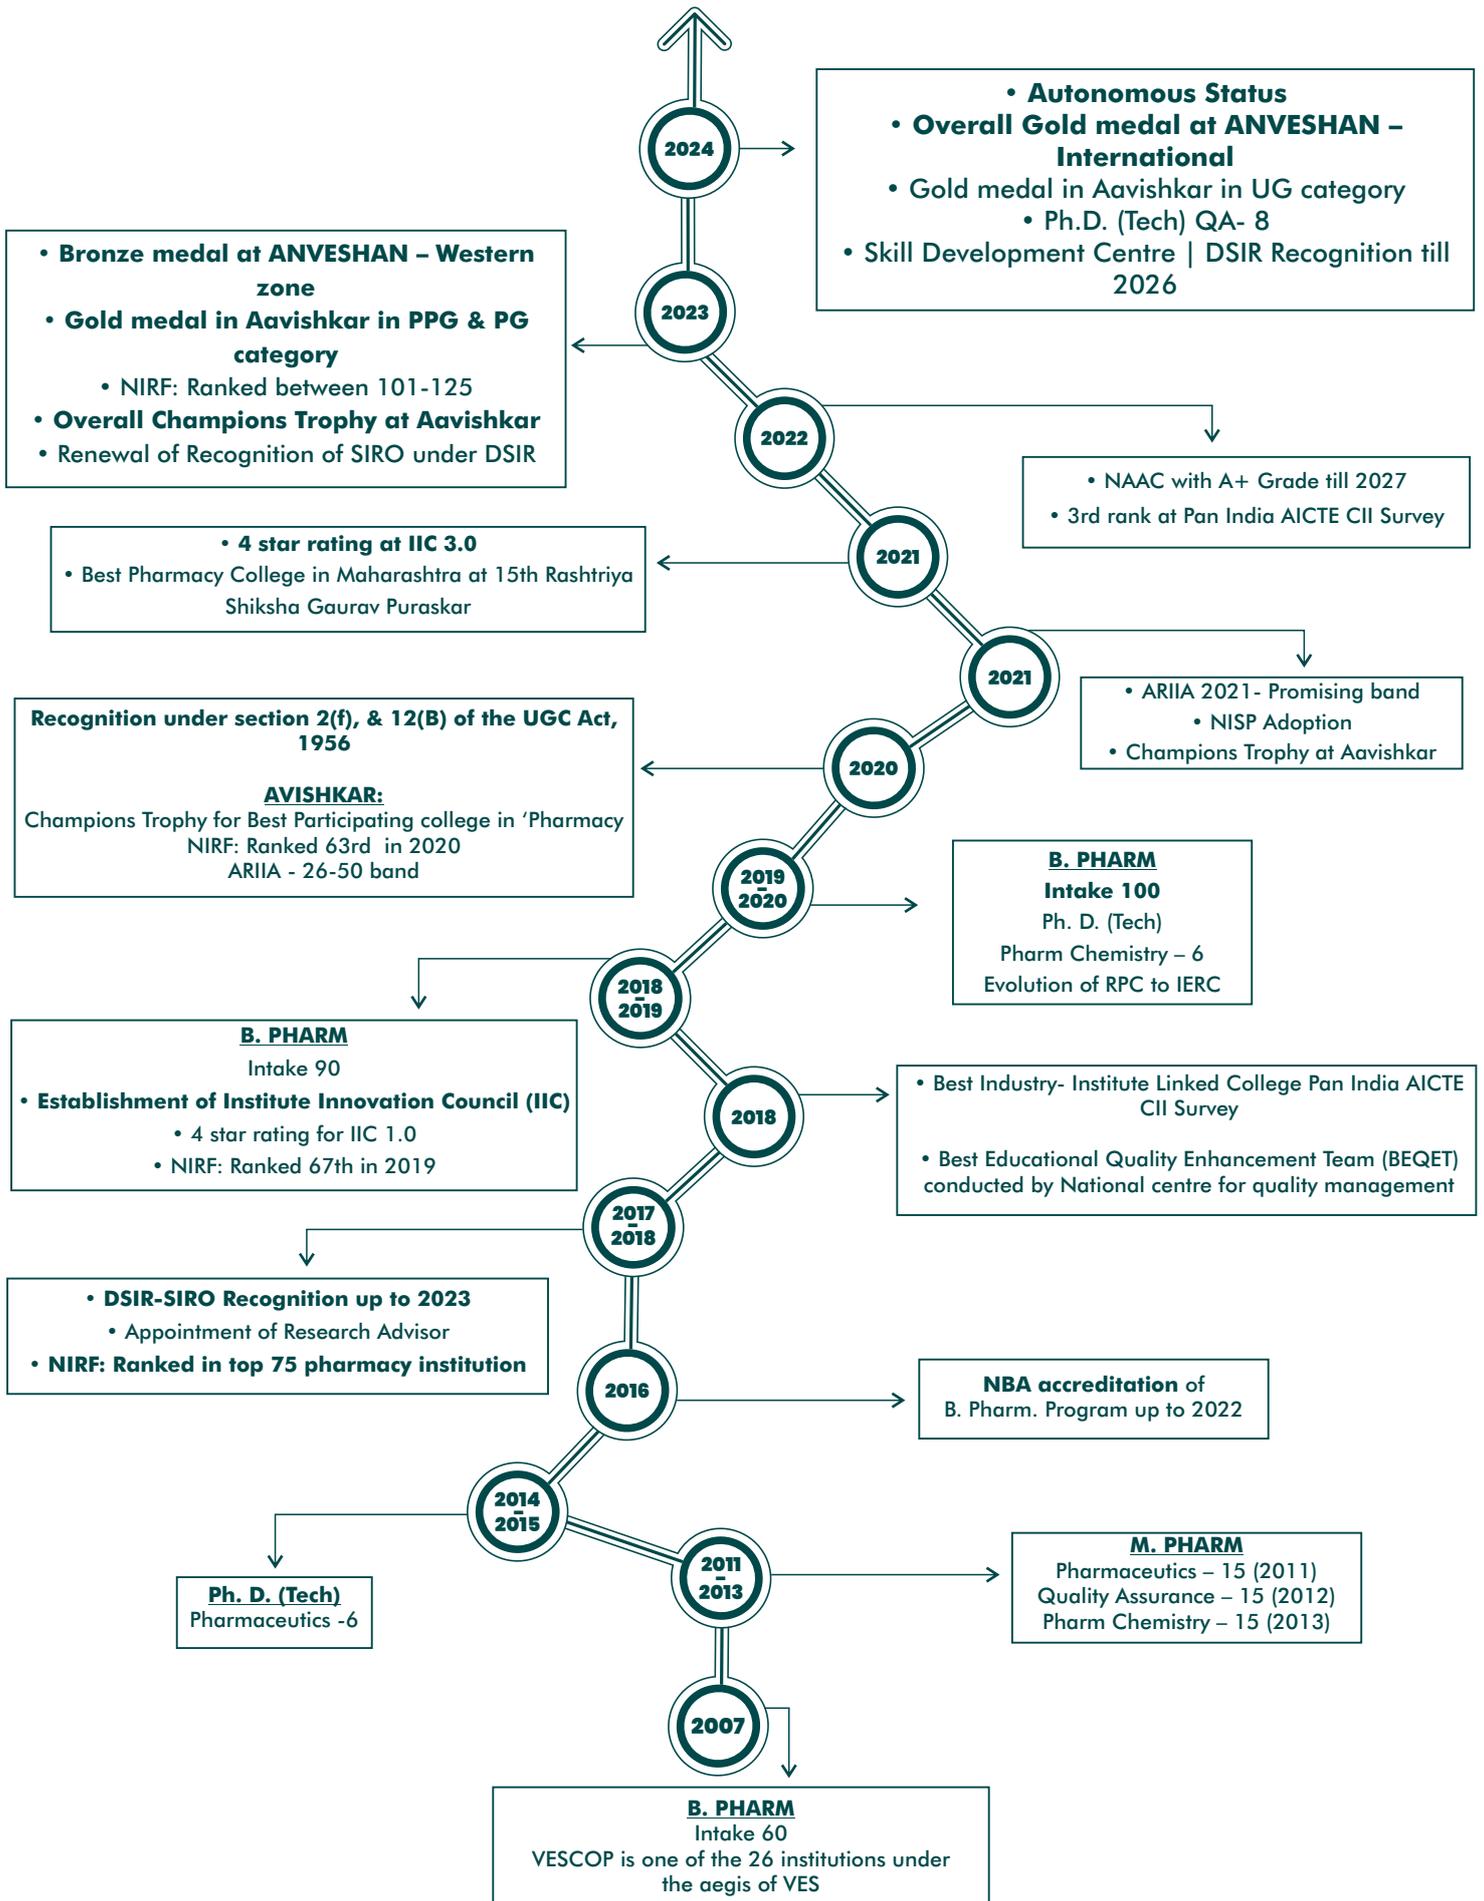

To sustain quality education through competent faculty members, skilled support staff, and state-of-the-art infrastructure

To sustain an environment of academic excellence that encourages interactive learning, promotes multidisciplinary research, and builds innovative & entrepreneurial skill

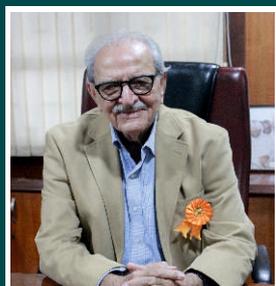

To provide opportunities for active professional networking through participation in activities and collaboration with healthcare industries

To inculcate the values and commitments towards societal needs

OUR JOURNEY

TRUSTEE'S DESK

Shri B.L. Boolani,
Trustee-in-charge
VES College of Pharmacy.

Greetings!

Our institution takes immense pride in its legacy of delivering exceptional education and fostering opportunities for the leaders of tomorrow. In an ever-evolving global landscape, the acquisition of essential skills has become imperative

for success. The pharmacy sector, marked by constant innovation and advancement, calls for proactive learning, adaptability, and a commitment to excellence. At our institution, we not only prioritize staying at the forefront of research but also emphasize active community engagement, ensuring our students receive a cutting-edge education that prepares them for the future.

Dear students, you possess the power to shape your destiny, embrace challenges with determination and a growth mindset. Success is not a mere destination but a journey defined by persistent effort, resilience, and courage. Step out of your comfort zone, take calculated risks, and remain open to learning.

Remember, true fulfilment comes from making a difference. Whether through volunteering, mentoring, or meaningful contributions, your actions can leave a lasting impact on others. In a rapidly changing world, adaptability and empathy are the keys to sustained success.

We extend our heartfelt wishes to you as you embark on this exciting journey. May you achieve great heights and make a profound difference in your chosen paths!

PRINCIPAL'S DESK

Dr. (Mrs.) Supriya Shidhaye
Principal,
VES College of Pharmacy

Embarking on a journey toward a promising future, the VES College of Pharmacy proudly celebrates the 15th graduating batch. Over the past four years of B.Pharm and two years of M.Pharm, our students have undergone a transformative learning experience, honing their skills to emerge as adept

pharmacy professionals. They are now ready to embrace corporate responsibilities and contribute meaningfully to the healthcare sector.

Guided by our committed Training and Placement Cell, students have been equipped to align with industry demands and seamlessly integrate into the professional world. Our dynamic curriculum combines rigorous

theoretical knowledge with hands-on practical exposure, fostering a comprehensive understanding of real-world challenges. The emphasis on an industry-level approach ensures students are well-prepared to tackle diverse challenges with confidence and expertise.

Beyond academics, we instill in our students the core values of dedication, professionalism, and ethical conduct, shaping them into well-rounded individuals. The result is a graduating class equipped with not just technical proficiency, but also the integrity and leadership skills necessary for success in the global market.

The 2024-25 batch stands out as a shining example of resilience and readiness, poised to make a significant impact. We extend our best wishes to them for a successful and fulfilling career ahead.

TRAINING & PLACEMENT CELL

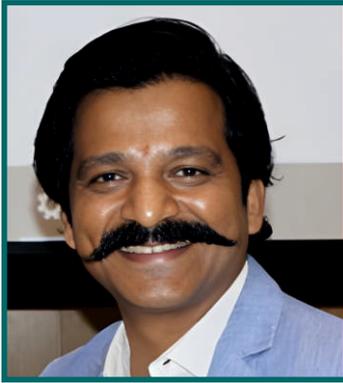

The **Training and Placement Cell (TPC)** at VES College of Pharmacy plays a pivotal role in shaping students' professional journeys by bridging the gap between academia and industry. It serves as a vital platform to prepare students for their transition into the corporate world, ensuring they are well-equipped with the skills, knowledge, and mindset through various sessions organised by Industry Institute Interaction Cell (IIIC) necessary to excel in their careers. Regular workshops, seminars, and guest lectures are organized to familiarize students with industry trends and emerging technologies. These activities foster an understanding of the pharmaceutical sector's expectations and prepare students to meet real-world challenges with confidence and adaptability. The TPC also maintains strong ties with leading pharmaceutical companies, facilitating internships and job placements for students. It works tirelessly to ensure students secure placements in reputable organizations, offering roles that align with their aspirations and skillsets. The TPC stands as a cornerstone of VES College of Pharmacy's mission to produce industry-ready graduates poised to make significant contributions to the healthcare and pharmaceutical sectors.

MEGHRAJ RAMESH BALOTIYA

Email : meghrajbalotiya9@gmail.com

Contact : 9619930325

Area of Interest: Clinical Data Management/ Pharmacovigilance/Medical Coding, Sales and Marketing/ Business Development, Packaging, Insurance Underwriting/Claims

About Me: I have strong clinical knowledge and a deep understanding of Pharmaceutical science, Pharmacology.

SNEHAL SANTOSH CHASKAR

Email : snehlchaskar12@gmail.com

Contact : 9324071042

Area of Interest: Sales and Marketing/ Business Development; Packaging; Pharmacist (Hospital, Community, Retail)

About Me: I am a hardworking person who believes in teamwork, have excellent convincing skills, a natural communicator.

SONIYA VIKRAM WADHWANI

Email : soniyawadhvani504@gmail.com

Contact : 7773929244

Area of Interest: Clinical Data Management/ Pharmacovigilance / Medical Coding; QC/QA; Regulatory Affairs

About Me: I'm a positive and motivated person. I enjoy learning new skills and take pride in finishing work on time with quality

YAFIYA MOHAMMED SULAIMAN

Email : Yafiya2222@gmail.com

Contact : 9619821369

Area of Interest: Clinical Data Management/ Pharmacovigilance/Medical Coding; QC/QA

About Me: I am very optimistic person . I always put 100% in tasks allotted to me .

STUDENT PROFILE M. PHARMA 2025 BATCH

M.PHARM-QUALITY ASSURANCE

MANASI MAHESH PAWAR

Email : manasi.pawar242@gmail.com

Contact : 9930960043

Technical Skills : Handling of UV Visible Spectrophotometer, pH meter, Flame Photometer, Malvern Zeta Sizer, Lyophilizer, Rotary Evaporator, Liquid Chromatography-Mass Spectrometer

Area of Interest: Research and Development (F&D);Regulatory Affairs;ADL

Computational Skills : DesignExpert - Version 13 (DoE software), UV Probe - Spectrum 2.43, Canva, Biorender, MS Office

About Me: Attended two National Seminars, I want to contribute to the advancement of Pharmaceutical Science. Passionate about making a meaningful impact.

HARSHADA DASHRATH SONAWANE

Email : harshadasonawane477@gmail.com

Contact : 9322237046

Technical Skills : Handling of HPLC, SQL Coding

Area of Interest: Clinical Data Management/ Pharmacovigilance;Sales and Marketing/ Business Development;Project Management Trainee

Computational Skills : Artificial Intelligence software

About Me: Interested in learning the AI and ML, basic Python programming and Matlab software.

NOORA AKBAR ALI ROHEKAR

Email : noorarohekar12@gmail.com

Contact : 9325189239

Technical Skills : Handling of UV Visible Spectrophotometer, pH meter, Compression machine, FBP, FBD, Dissolution apparatus, Disintegration apparatus, Rapid Mixer Granulator, Co-mill

Area of Interest: QC/QA;Research and Development (F&D);Regulatory Affairs

Computational Skills : DoE software (Design Expert Version 13), MS Office

About Me: Completed internship in Formulation department at IQgenX, I am sincere with my work.

ANUJA ATUL SHRESHTHA

Email : anujaashreshtha@gmail.com

Contact : 9970190020

Technical Skills : Handling UV Visible Spectrophotometer, Dissolution apparatus, Tablet Compression machine, Table Coating machine, Disintegration apparatus

Area of Interest: Clinical Data Management/ Pharmacovigilance;QC/QA;Research and Development (F&D);R&D Synthesis;Regulatory Affairs

Computational Skills : MS Office

About Me: Internship in Formulation R & D department IPCA Laboratories. Looking forward to utilize theoretical knowledge and embracing opportunities for continuous learning and professional growth.

VAISHNAVI UMESHRAO KALE

Email : vaishnavikale600@gmail.com

Contact : 7507203864

Technical Skills : Hands-on experience in Compression machine, Conventional and Automatic Coater, RMG, Roller Compactor, FBD, UV Visible Spectrophotometer, Dissolution apparatus, DT tester, PSD tester, LOD tester, ERWEKA Hardness tester, BDTD tester

Area of Interest: Project Management Trainee; Research and Development (F&D); Regulatory Affairs

Computational Skills : Canva, DoE software (Design Expert Version 13), MS Office

About Me: Completed an internship in oral solid department at Cipla Ltd. and a certified course in drug regulatory affairs. Committed to merge technical skills in real world experience to make a meaningful impact in the field of pharmacy.

in

ROOPCHAND SHIVBABU GUPTA

Email : roopchand.gupta.2023@ves.ac.in

Contact : 9082052208

Technical Skills : Handling of UV Visible Spectrophotometer, Rotary Evaporator, Lyophilizer, Ultracentrifuge, Cold Centrifuge, Dissolution apparatus, Probe Sonicator, Malvern Zeta Sizer, Flame Photometer

Area of Interest: QC/QA; Research and Development (F&D); ADL

Computational Skills : Biorender, DoE software (Design Expert Version 13), UV Probe - Spectrum 2.43, basic knowledge of Swiss ADME, basic knowledge of AutoDock, ChemSketch, Canva, MS Office

About Me: Completed specialized courses in research methodologies, retrosynthesis, data integrity, and drug stability. Notable achievements like qualifying for Avishkaar Research Conversation final round and presenting research at national conference.

in

SRUSHTI SHARAD GHARAT

Email : srushtigharat018@gmail.com

Contact : 9145132967

Technical Skills : Handling of UV Visible Spectrophotometer, Osmometer, Brookfield Viscometer, Dissolution apparatus, Friability apparatus, Disintegration apparatus

Area of Interest: QC/QA; Research and Development (F&D); Regulatory Affairs

Computational Skills : MS Office

About Me: Completed an internship in formulation R & D at IPCA Laboratories, where I gained practical experience in the pharmaceutical industry and a certification course in Drug Regulatory Affairs.

in

AKANKSHA MALLESH SOMAN

Email : akankshasoman@gmail.com

Contact : 8828482903

Technical Skills : Handling of Malvern Zeta Sizer, UV Visible Spectrophotometer, HPLC, Ultra Turrex, Probe Sonicator, Dissolution apparatus, pH meter

Area of Interest: Sales and Marketing/ Business Development; QC/QA; Project Management Trainee; Research and Development (F&D); Regulatory Affairs; ADL

Computational Skills : Canva, BioRender, Google Workspace, MS Office

About Me: Hands-on experience in formulation, development and evaluation, analytical techniques and research presentation skills. Proven track record of academic excellence and achievement in national-level competitions.

in

TANMAYEE RAHUL GHULE

Email : tanughule70@gmail.com

Contact : 7058153815

Technical Skills : Handling of UV Visible Spectrophotometer, Osmometer, Brookfield Viscometer, Dissolution apparatus, Disintegration apparatus, Tablet punching machine

Area of Interest: Clinical Data Management/ Pharmacovigilance;QC/QA;Research and Development (F&D);Regulatory Affairs

Computational Skills : Canva, MS Office

About Me: Internship in formulation development- R&D at IPCA Labs. Completed certified course in Drug Regulatory Affairs.

in

VARSHA YOGESH POOJARY

Email : varshapoojary88@gmail.com

Contact : 9820719470

Technical Skills : Handling of HPLC, UV Visible Spectrophotometer, Roche Friabilator, Brookfield Viscometer, Single Rotary Tablet Press, Spheronizer, pH meter

Area of Interest: Sales and Marketing/ Business Development;Project Management Trainee;Regulatory Affairs;ADL

Computational Skills : OpenLab CDS software, Canva, MS Office

About Me: Internship at Amaterasu Life Sciences, I will utilize my training to secure a responsible career opportunity making a significant contribution to the success of the company.

in

SANJALI SANTOSH YADAV

Email : yadavsanjali31@gmail.com

Contact : 9326250955

Technical Skills : Handling of UV Visible Spectrophotometer, Dissolution apparatus, Zeta Sizer, Osmometer, High Pressure Homogenizer, Brookfield Viscometer

Area of Interest: Sales and Marketing/ Business Development;Research and Development (F&D);Regulatory Affairs

Computational Skills : MS Office

About Me: Internship at Cipla Ltd. in F&D department. Certified in Regulatory Affairs and completed an internship at MJ Biopharm.

in

MAHESH PARAS SONI

Email : sonimahesh.0007p@gmail.com

Contact : 8286454004

Technical Skills : Handling of IPQC apparatus, Octagonal Blender, RC machine, Compression machine, Pancoater, RMG, FBP, pH meter, Dissolution apparatus, UV Visible Spectrophotometer

Area of Interest: Project Management Trainee;Research and Development (F&D);Regulatory Affairs

Computational Skills : Biorender, DesignExpert - Version 13 (DoE software), MS Office

About Me: Completed internship in the F&D department at Cipla Ltd., passionate to explore and learn about the Pharmaceutical industry.

in

SHRIYA GANESH BELWALKAR

Email : shriyab612@gmail.com

Contact : 9920374009

Technical Skills : Handling of UV Visible Spectrophotometer, Dissolution apparatus, Malvern Zeta Sizer, Probe sonicator, Ultracentrifuge, Franz Diffusion cell assembly, Handling of HPLC.

Area of Interest: QC/QA;Regulatory Affairs;ADL

Computational Skills : Canva, DesignExpert - Version 13 (DoE software), MS Office

About Me: I approach my work with a systematic mindset and continuous eagerness to learn, organized and constantly seek opportunities to grow and advance professionally.

in

ANUSHKA SUNIL THUBE

Email : anushkathube16@gmail.com

Contact : 9324132647

Technical Skills : Handling of UV Visible Spectrophotometer, Dissolution apparatus, RMG, FBP, Tablet Coating machine, Tablet Compression machine, Disintegration apparatus

Area of Interest: Sales and Marketing/ Business Development;Project Management Trainee;Regulatory Affairs

Computational Skills : MS Office, Design Expert V 13

About Me: About me: I have completed an internship in the F&D department at Cipla Ltd, 3 months internship in the Regulatory Affairs department at Hab Pharmaceuticals Ltd, Business Development Intern at Narla Ltd, Scientific Content Creator at Pharmacad Pvt. Ltd. Awarded as the Best Student of B.Pharm during my undergrad college.

in

TANAYA MANOJ NAYAK

Email : tanayanayak21@gmail.com

Contact : 7738276463

Technical Skills : Handling of UV Visible Spectrophotometer, RMG, FBD, Tablet Compression machine, Coating machine, Brookfield Viscometer, Disintegration apparatus, Dissolution apparatus

Area of Interest: QC/QA;Research and Development (F&D);Regulatory Affairs

Computational Skills : MS Office

About Me: Completed an internship at IPCA Labs, gaining hands-on experience in the pharmaceutical field. Certified in Clinical Research, Pharmacovigilance, and Regulatory Affairs.

in

M.PHARM-PHARMACEUTICS

ANJALI DYANESHWAR DIGHE

Email : anjali.dighe16@gmail.com

Contact : 8169079671

Technical Skills : FBP, Dissolution Apparatus, UV spectroscopy, HPLC Orbital shaker incubator, Kruss contact angle, Goniometer, FTIR, Texture analyzer Zeta potential, Centrifuge, Instruments involved in Tablet processing.

Area of Interest: Sales and Marketing/ Business Development, Project Management Trainee, Research and Development (F&D), Regulatory Affairs.

Computational Skills : Tableau, SAS Software, Mendely, PK solver, Design Expert, OriginLab, OpenLab CDS, MS office

About Me: To get an opportunity where I can make the best of my potential and contribute to the organization's growth. Seeking a challenging position in a reputed organization where i can learn skills, expand my knowledge.

in

SHRUTI VRAJANATHAN KURUP

Email : shruti.kurup.02@gmail.com

Contact : 9167515075

Technical Skills : Handling of Tablet compression machine, UV, HPLC, Viscometer, Dissolution apparatus, Double cone blender.

Area of Interest: Sales and Marketing/ Business Development, Project Management Trainee, Research and Development (F&D), Regulatory Affairs

Computational Skills : MS Word, MS Excel.

About Me: Interning at IMCD India Pvt. Ltd. in Oral solids dosage form department wherein I have been working on variety of oral solid projects. I am looking forward for a opportunity wherein I can grow and develop my skills and contribute to the organisation.

in

NIKITA SUDHAKAR TIWARI

Email : niktasudhakartiwari321@gmail.com

Contact : 9820876521

Technical Skills : Handling of Rotatory tablet press, Neo-cota 5D, Rapid mixer granulator, Multi-mill

Area of Interest: Clinical Data Management/ Pharmacovigilance; Sales and Marketing/ Business Development; Project Management Trainee; Research and Development (F&D); Regulatory Affairs

Computational Skills : Ms word, Ms Excel, Canva

About Me: Passionate pharmacy student with strong communication skills and a natural ability to connect with others. Adaptable, dedicated, and committed to excellence in every task.

in

YOGITA DILIP WARANG

Email : yogitadwarang22@gmail.com

Contact : 7506956151

Technical Skills : Handling of HME, HPLC-shimadzu, UV - visible spectrophotometer, Dissolution apparatus, IR pellet machine, pH meter, Tablet compression machine, DT apparatus

Area of Interest: QC/QA, Project Management Trainee, Research and Development (F&D)

Computational Skills : MS office, DoE, OriginPro software

About Me: Qualified for GPAT-2023 and NIPER-2023 examination. Received 1st Prize in 2- days National Seminar on Excipients Insights at Principal KMK College of Pharmacy. Successfully completed Advanced Excel course. Completed 3 months internship at TATA Memorial Hospital.

in

REVA SANDEEP KULKARNI

Email : revak2001@gmail.com

Contact : 9156373174

Technical Skills : Handling of UV, Dissolution apparatus, Disintegration apparatus, Compression machine, FBD, FBP, RMG, Mills

Area of Interest: Sales and Marketing/ Business Development, Research and Development (F&D), Regulatory Affairs

Computational Skills : MS office, Canva, ChemDraw, DoE, Basic knowledge of using Zotero

About Me: Working as an Research intern at IQGEN-X Pharma Pvt. Ltd. I am eager to apply my skills in Pharmaceutical Sciences and collaborate on projects that push the boundries of drug development and healthcare innovation.

in

SAKSHI YOGESHWAR RAUT

Email : sakshiraut641@gmail.com

Contact : 9511846477

Technical Skills : Handling of UV spectrophotometer, HPLC, Dissolution Apparatus, Tablet Compression Machine,

Area of Interest: Project Management Trainee; Research and Development (F&D);Regulatory Affairs

Computational Skills : Canva, MS Office, DoE software

About Me: I have a strong and creative mindset and a sharp eye for detail. I approach my work systematically, balancing precision.

in

PALLAVI KASHINATH DANI

Email : pallavidani942@gmail.com

Contact : 7385541556

Technical Skills : Uv spectrophotometer, FTIR, Probe sonicator, Dissolution apparatus, Texture analyzer

Area of Interest: Clinical Data Management/ Pharmacovigilance, Research and Development (F&D), Regulatory Affairs

Computational Skills : MS office, Canva, Power BI

About Me: Hardworking college student seeking employment. Looking for learning and challenging career in my core domain where I can develop and use each of my abilities to the fullest. This will help me to achieve success through constant learning and unwavering commitments.

in

SIDDHI SATYWAN RAWOOL

Email : siddhirawool2020@gmail.com

Contact : 8433855551

Technical Skills : Handling of Dissolution, UV spectrophotometer, Viscometer, HPLC

Area of Interest: Sales and Marketing/ Business Development, Project Management Trainee, Regulatory Affairs

Computational Skills : MS office, DOE

About Me: Industry experience in the F and D topicals, where I gained valuable skills in formulation and analysis. In my free time, I enjoy reading fictional books.

in

AKSHATA GULAB TEMGIRE

Email : akshata.temgire.2023@ves.ac.in

Contact : 9136357945

Technical Skills : Handling of RMG, Neocota machine, Rotary compression, multi mill, co-mill, FBP

Area of Interest: Sales and Marketing/ Business Development, QC/QA, Project Management Trainee

Computational Skills : MS Excel, pKa solver, Swiss ADME, DoE, chemdraw, chemsketch

About Me: I am a dedicated Pharmacy student with a strong interest in pharmaceuticals, healthcare, and patient care. Gaining in-depth knowledge of pharmaceuticals, formulation development, drug mechanisms, and regulatory aspects to enhance patient outcomes.

in

DIKSHA DATTATRAY NAVGHANE

Email : dikshanavghane11@gmail.com

Contact : 8010891225

Technical Skills : Handling of Uv spectrometer, Disintegration apparatus, Dissolution apparatus, Capsule filling Manual Machine, Tablet compression Machine, Malvan zeta sizer, Brookfield Viscometer, FBD, RMG, Homogenizer, Friability tester, Hardness tester

Area of Interest: Sales and Marketing/ Business Development, Project Management Trainee, Research and Development (F&D), Regulatory Affairs

Computational Skills : MS Office, DOE

About Me: I am gaining valuable industry experience through my internship at Shalina Laboratories. I am actively seeking opportunities that align with my academic background and career aspirations.

in

HEMANT ARJUN KAMBLE

Email : hemantkamble726@gmail.com

Contact : 9221147496

Technical Skills : Teamwork, problem solving.

Area of Interest: Research and Development (F&D); Regulatory Affairs

Computational Skills : MS Office

About Me: Hardworking college student seeking employment.

in

VENECIA WILLIAM PINTO

Email : pinto ven28@gmail.com

Contact : 9004296526

Technical Skills : Handling of FBP, Extrusion & Spheronizer, FBD, RMG, Homogenizer, Tablet coating machine, tablet compression machine, Co-mill, Multi-mill, Oscillating granulator, Octagonal Blender & IPQC instruments

Area of Interest: Project Management Trainee, Research and Development (F&D), Regulatory Affairs

Computational Skills : Ms Office, Canva, DoE, Wix (website development software)

About Me: 6 months of internship experience at IPCA in drug formulation, excipient optimization, documentation and product stability. To leverage my academic knowledge in developing effective pharmaceutical solutions and regulatory guidelines to support the development and compliance of drug products.

in

DIKSHA JAYVANT DESHMUKH

Email : diksha.deshmukh0203@gmail.com

Contact : 8879294406

Technical Skills : Handling and operation of Rapid Mixer Granulator (RMG), Multimill, Neocota 5D, Rotary tablet press machine.

Area of Interest: Sales and Marketing/ Business Development; Project Management Trainee; Regulatory Affairs

Computational Skills : MS word, MS Excel

About Me: Dedicated pharmacy student with strong interpersonal skills and a talent for building connections. Known for adaptability, empathy, and a commitment to high-quality work.

in

SANDESH BALASAHEB LALGE

Email : sandeshlalge3@gmail.com

Contact : 9137469511

Technical Skills : Handling of UV-Vis spectrophotometry, FT-IR, HPLC, Dissolution Testing, Zetasizer, SDS-PAGE, Homogenizer

Area of Interest: Project Management Trainee, Research and Development (F&D), Regulatory Affairs

Computational Skills : MS Office, Google Workspace, DoE, PK Solver, Swiss ADME, Ternary Software, Autodock Vina, BIOVIA Discovery Studio, Chems sketch

About Me: Currently engaged as research trainee at Ostic Pharma, IIT BOMBAY. Looking for opportunities to use as well as enhance my skills in pharmacy field, with research driven approach. GPAT-2023 Qualified

in

SOHAM SANTOSH DALVI

Email : sohamsantoshdalvi@gmail.com

Contact : 8104927026

Technical Skills : formulation development, analytical HPLC method Development, optimization, validation

Area of Interest: QC/QA; Research and Development (F&D); Regulatory Affairs

Computational Skills : Microsoft office, Design experiment software, Zotero

About Me: Inquisitive and hunger for learning. Also believes in giving my best for any opportunity or role given

in

M.PHARM-PHARMACEUTICAL CHEMISTRY

PURVA PRASHANT HIRLEKAR

Email : purvahirlekar2001@gmail.com

Contact : 7045178720

Technical Skills : Handling of Column chromatography, rotary evaporator

Area of Interest: Clinical Data Management/ Pharmacovigilance, Research and Development (F&D), ADL

Computational Skills : Calculate ADMET properties using online servers, docking software like MOE, Pyrex

About Me: I'm a diligent and detail-oriented person. Can manage multiple tasks with calm and positive attitude.

in

SANSKRUTI SANJAY SURVE

Email : sanskrutisurve3@gmail.com

Contact : 7045141411

Technical Skills : MS-CIT, typing 30WPS, certification course of pharmacovigilance.

Area of Interest: Clinical Data Management/ Pharmacovigilance; Research and Development (F&D); ADL

Computational Skills : Chems sketch, Chemdraw, Autodock, MOE, pyRx softwares

About Me: 1 year experience as stability administrator (R&D associate) at Johnson and Johnson Pvt Ltd (KENVUE)

in

BHAGYASHREE SAMEER DESAI

Email : desaibhagyashree.2124@gmail.com

Contact : 9082932837

Technical Skills : Handling Analytical Techniques

Area of Interest: QC/QA; Research and Development (F&D); R&D Synthesis

Computational Skills : Docking softwares - MoE and Pyrx; Protein preparation softwares - biovia discovery studio.

About Me: I have developed a strong foundation in synthesis during my industrial training period and also have hands on experience on various equipments. I am deeply committed to continuous learning and applying my skills.

in

VIGNESH DILIP JATHAR

Email : vighneshjathar04@gmail.com

Contact : 9769089473

Technical Skills : Handling of Flash Chromatography, Thin Layer Chromatography, Synthesis.

Area of Interest: QC/QA, Project Management Trainee, Research and Development (F&D), R&D Synthesis, Regulatory Affairs

Computational Skills : MS Office

About Me: I am a very focused person for the tasks provided to me. I am very loyal and dedicated person with respect to the tasks.

in

DIVYA DAMODAR NAYAK

Email : nayakdivya2001@gmail.com

Contact : 7718919289

Technical Skills : Handling of Rota Evaporator, HPLC, TLC, Filtration, UV, IR and Compound Synthesis

Area of Interest: Clinical Data Management/ Pharmacovigilance, Research and Development (F&D), R&D Synthesis, Regulatory Affairs, ADL

Computational Skills : CADD Softwares - MOE, OpenBabel, AutoDock, BioVia Discovery Studio, ICM-Pro; Interpretation of Data, Docking, Simulation, MS Office.

About Me: I am currently working on a synthesis research project focused on antiviral activity. I recently presented a poster at the International Conference organized by the Bombay Institute of Pharmacy and Research.

in

ASHARA KHATUN AKEEL AHMED CHAUDHARI

Email : chaudhriashra.09@gmail.com

Contact : 8356026932

Technical Skills : Knowledge regarding use of tools and software

Area of Interest: Clinical Data Management/ Pharmacovigilance; Research and Development (F&D); Regulatory Affairs; Medical Writing/ Patent Writing

Computational Skills : Microsoft Office, Docking, protein preparation

About Me: I am committed to enhancing patient care through effective medication management and education. My expertise in drug synthesis allows me to contribute to the development of new therapeutic compounds that improve health outcomes.

in

ANAGHA PRAKASH WAKCHAURE

Email : wakchaureanagha@gmail.com

Contact : 8433526910

Technical Skills : Handling of HPLC, TLC, UV

Area of Interest: Clinical Data Management/ Pharmacovigilance; Sales and Marketing/ Business Development; Project Management Trainee; Regulatory Affairs

Computational Skills : Ms Office, Docking Softwares- MOE, MolSoft

About Me: Hands-on experience in hospital pharmacy practice. I am currently expanding my expertise in drug development, and analytical techniques. I am passionate about applying my academic knowledge and practical skills to contribute effectively in the pharmaceutical industry and healthcare sector.

in

RANBIR SINGH JASBIR SINGH SALUJA

Email : sranbirsaluja.2002@gmail.com

Contact : 9082258177

Technical Skills : Computer aided drug design, presentation, synthesis

Area of Interest: R&D Synthesis; ADL

Computational Skills : Computational drug design, MS office

About Me: I am hardworking professional dedicated towards completion of the given task . I am very much interested in the area of computer aided drug design . I like to use my knowledge in chemistry field I'm design and development of API, novel compounds .

in

CHAITRALI ATUL THATTE

Email : thattechaitrali2023@gmail.com

Contact : 9145498648

Technical Skills : MS Office, Adobe Photoshop

Area of Interest: Clinical Data Management/ Pharmacovigilance, QC/QA, Research and Development (F&D), Regulatory Affairs

Computational Skills : Docking softwares- Molecular Operating Environment (MOE), Pyrx, Discovery Studio.

About Me: I am pharmacy graduate with a solid foundation in Pharmaceutical Sciences. Looking forward to apply my skills and knowledge in the healthcare environment.

in

YOGIRAJ BHAUSAHEB MANE

Email : yogimane7867@gmail.com

Contact : 9619129234

Technical Skills : Organic synthesis, analytical technique

Area of Interest: Research and Development (F&D), R&D Synthesis, Regulatory Affairs

Computational Skills : MS Office, molecular docking, simulations, DFT

About Me: I am skilled in modern synthetic methodologies, instrumental analysis, and regulatory frameworks, ready to contribute to innovative pharmaceutical projects

in

DHANASHREE HANUMANT GAIKWAD

Email : gaikwaddhanashree06@gmail.com

Contact : 9653413302

Technical Skills : Handling of Column Chromatography, HPLC, TLC, Flash chromatography and mass spectroscopy.

Area of Interest: Clinical Data Management/ Pharmacovigilance, Research and Development (F&D), R&D Synthesis, Regulatory Affairs, ADL

Computational Skills : MS Office, CADD Softwares- Chemdraw, MOE, Auto dock, Discovery studio, Open babel

About Me: I am currently undertaking 3 months internship in R&D synthesis. I completed 4-week online training on clinical trial analysis and reporting and 2 months course on special upskilling programme on Regulatory affairs.

in

AREEB ASIF JAMAL KHAN

Email : khanareeb012@gmail.com

Contact : 8529438382

Technical Skills : Organic Synthesis, GLP, Analytical, Documentation.

Area of Interest: QC/QA; Research and Development (F&D); R&D Synthesis; Regulatory Affairs

Computational Skills : Power point presentation, MS Word, Molecular Docking, Simulation, DFT.

About Me: I bring a strong foundation in drug synthesis, analytical techniques, and computational tools to contribute effectively to research and development teams.

in

MISBAH ABDUL REHMAN MUKADAM

Email : misbah.ar.mukadam@gmail.com

Contact : 9619335583

Technical Skills : Data Analysis, Creative thinking, Knows to operate basic laboratory machines

Area of Interest: QC/QA; Project Management Trainee; Research and Development (F&D); R&D Synthesis; Regulatory Affairs; ADL

Computational Skills : Microsoft office, Computational tools (MOE)

About Me: Soft spoken person, can deal with every problem calmly and patiently

in

SANDHYA SANJEEV MISHRA

Email : sandhyamishra1903@gmail.com

Contact : 8208874623

Technical Skills : Handling of column chromatography, HPLC, dissolution testing apparatus

Area of Interest: Clinical Data Management/ Pharmacovigilance, Research and Development (F&D), Regulatory Affairs

Computational Skills : Microsoft office, molecular docking, molecular modelling, MOE, chemdraw and marvinsketch

About Me: I am having good communication skill, good at time management, flexible, can work

in

GOPAL RAJENDRA GANJARE

Email : gopalganjare2001@gmail.com

Contact : 9967896065

Technical Skills : Handling of HPLC, TLC, Column chromatography, UV-Vis spectrophotometry, IR spectroscopy, Melting point, pH meter. Familiarity with regulatory agencies (FDA, EMA) and guidelines. Computational chemistry, organic synthesis reactions.

Area of Interest: Sales and Marketing/ Business Development, Research and Development (F&D), R&D Synthesis, Regulatory Affairs

Computational Skills : Microsoft Office:- Word, Excel, PowerPoint, Molecular modeling:- Autodock, MoE software .

About Me: I am motivated and detail-oriented individual with a strong background in the field of Pharmaceutical chemistry. Passionate about enhancing my skills in research and analysis to get desire results. Excited to contribute my expertise and grow within an innovative organization.

INSTITUTE HIGHLIGHTS

- Awarded A+ grade with CGPA of 3.46 by the National Assessment and Accreditation Council (NAAC)
- Awarded 1st and 3rd Rank in the AICTE - CII Industry Linked Survey 2018 & 2021 respectively (Pan India)
- Received Max-Innovations Trophy (2023-24) in CiiA 3.0)
- OVERALL RUNNER UP CHAMPIONSHIP TROPHY at 18th AAVISHKAR (Inter-Collegiate/ Institute/ Department) Research Convention 2023–24. OVERALL CHAMPIONSHIP TROPHY (First Rank) at 17th AAVISHKAR (Inter-Collegiate/ Institute/ Department) Research Convention 2022–23.
- 3.5 STAR rating - Institution Innovation Council (IIC) 2022-23, awarded by MoE's Innovation Cell, Govt. of India
- Registered as VES-Scientific and Industrial Research Organization (VES-SIRO) at DSIR, Govt. of India
- Signatory of PRME, a United Nations initiative for sustainability.
- Community Outreach Initiatives - NSS, Rotaract Club and Public Health Office.
