# OUR JOURNEY

## TRUSTEE'S DESK

**Shri B. L. Boolani**

*Member,*

*VES managing committee.*

*Trustee In charge, VESOP*

*Greetings!*

Our institution boasts a rich legacy of providing exceptional education and opportunities for future leaders. In today's dynamic global landscape, acquiring essential skills is imperative. The pharmacy sector's continual advancement emphasizes the need for proactive learning and adaptability. We not only stay current with research but also engage with the community for a cutting-edge education.

Dear students, you hold the power to shape your future. Embrace

challenges, keep learning, and remember, success is a result of persistent effort, determination, and resilience. Don't fear risks, step out of your comfort zone, and cultivate a growth mindset. In a rapidly changing world, adaptability is crucial for sustained success.

Contribute to others' well-being through volunteering or mentoring. Your actions can make a meaningful impact. Best wishes for all your future endeavors!

## PRINCIPAL'S DESK

Embarking on a journey towards a promising future, the VES College of Pharmacy proudly presents its 14th graduating batch. During four years of B. Pharm and two years of M.Pharm, our students underwent rigorous preparation, emerging as proficient pharmacy professionals ready to embrace corporate responsibilities. Guiding them on this transformative path is our dedicated Training and Placement Cell, ensuring alignment with current industry demands for successful integration into the corporate sphere.

Beyond theoretical knowledge, our students gain hands-on application and practical skills, thanks to an educational framework emphasizing an industry-level approach. This prepares them to approach challenges with a comprehensive perspective. Values of devotion, dedication, and professionalism are instilled to create individuals who not

only possess skills and confidence but also exhibit a high level of professional conduct.

In the dynamic landscape of pharmacy education, our new cohort, the 2023-24 batch, stands out. With a nuanced understanding of market dynamics, they are well-prepared to navigate global challenges. We invite you to meet these adept students who are poised to be valuable assets in their respective fields, ready to confront and triumph over the demands of the evolving world.

We wish all our students a great career and a bright future ahead.

# INSTITUTE OF VESCOP

The inception of the VES College of Pharmacy took place in July 2007 under the supervision of Trustee In-charge Shri B. L. Boolani. Situated within the Hashu Advani Memorial Complex, the college spans an area of 5051.82 square meters. Its primary aim is to deliver top-notch education and cultivate a conducive academic atmosphere.

The college provides a variety of programs tailored to furnish students with the essential knowledge and skills required for success in the pharmaceutical industry. The faculty comprises highly qualified individuals dedicated to delivering top-notch education. State-of-the-art facilities, such as well-equipped laboratories and an extensive library, contribute to the overall learning experience at the college.

The disparity between campus life and corporate life is significant. Embarking on a new job within an organization marks a critical transition, necessitating a resilient mental and emotional mindset, a strategic approach, awareness of current technology trends, and adaptability. Recognizing this, VESCOP initiated the unique Campus to Corporate Transition Programme (C2C) in 2015 to adequately equip students for this transition.

This program aims to ready students for the industry. It encompasses sessions in four distinct categories: Vidyanmanch (industry-academia and student interaction), Disha (career avenues after graduation), Atmavikas (soft skill development), and Talkathon (student-alumni interaction). These sessions are conducted consistently throughout the academic year.

The college actively promotes student engagement in research projects, internships, and extracurricular activities to enhance both personal and professional development, fostering a sense of community. Creating a supportive and inclusive environment is a key objective, encouraging students to freely express themselves. The college emphasizes and motivates participation in various extracurricular events, including sports, cultural programs, and social gatherings, to help students develop well-rounded personalities.

## KEY ACHIEVEMENTS

**VESCOP** received an **A+ grade** in NAAC accreditation with a CGPA of 3.46 in 2022

**VESCOP** placed in the **rank band** of 100-125 under the Pharmacy category PAN India in 2023

**VESCOP** received an **Overall Championship Award** in the 17th Avishkar Inter-Collegiate Research Convention by Department of Students' Development, University of Mumbai

**VESCOP** received the **"MAX-EXHIBITORS" Trophy** at Creative Ideas & Innovations in Actions (CiiA 2.0).

# INFRASTRUCTURE

**Aseptic Area**

**CIL Laboratory**

# PLACEMENT CELL

The placement cell works to fulfill the vision of the VESCOP by providing students with appropriate employment opportunities that will help them progress in their careers. We are dedicated to achieve our goal of 100% placement for every year. For doing so, the cell is continuously being arranging several campus interviews with renowned pharmaceutical organizations. We also gravitate towards providing students with training focused on the current industry demands to increase their professional opportunities. It works round the clock to give its students a stepping stone into the corporate world and intelligent, astute, hard-working, and technically proficient minds to the hiring companies, so that both, the companies and the students, can excel and achieve great heights.
